ACCUTRON "400"
Waterproof, Sweep Second Hand, Luminous Hands and Dots, Applied Markers on Dial, Adjustable Band \$175.00

Accutron is not a watch... But it will always give you the precise time of day.

All the parts that make a watch fast or slow—the mainspring, hairspring, balance wheel—have been left out of Accutron. The Accutron movement is electronic. It keeps virtually perfect time by the vibrations of a tiny tuning fork powered by a battery. And comes with the first guarantee of accuracy ever given. So don't call it a watch. Accutron is the world's only electronic wrist timepiece. We believe the Accutron timepiece to be the finest and most precise wrist timepiece ever made. We have a wide variety of handsome models. \$125 and up.
