### FEBRUARY 27, 1969 KEN ANSVILLE, N.C.

Warsaw has received a Federal Grant of \$12,789 in planning funds. Working in close cooperation with the planning division of the North Carolina Department of Conservation and Development, the town will use these funds to plan a program of

In the early 1960's the Town of Warsaw became aware that it had to respond to the desper ate need for planning for the present and future population

Warsaw began its concentrated planning program with only

The town's first step was to get technical assistance from the North Carolina League of Municipalities, and from this began the updating of the zoning ord-inance that was adopted in May

1966. This step revealed that in order to qualify for grants and other participation a workable program would be needed, or a program of comprehens-ive planning for long range growth.

The proposed planning will include studies of land use. population and economy, land

ities and zoning ordinance. In addition to these studies a series of new maps will be drawn to indicate physical features and lot lines.

A planning board to work with the Mayor and commissioner appointed by the Town Commissioners December, 1967 is made up of the following mem-bers: Lee E. Brown, J.B. Herring, Brooks Boyette, R.E. Wilkins, and John A. Johnson, Chairman. The purpose of the planning board is to make surveys and studies of present conditions and future growth of the town with regard to its neighboring communities. The-se plans will have the desired effect of guiding and accomplishing the well coordinated and harmonious development of the town in accordance with present and future needs.

The planning board has expressed the hope that the federal grant recently authorized will enhance the growth and continual prosperity of the

town of Warsaw and each of its citizens.

Association of Wilmington and
Peoples Savings and Loan Ass
dation, Peoples Saving Peoples Savings and Loan Association of Wilmington will merge shortly, according to a joint announcement made by S. D. Bissette, President of PS&L and U. Lee Spence, Ir., Executive Vice President of Citizens Savings.

Under the consolidation plan, Citizens will merge into Peoples on June 30, 1969, subject to final approval of the share-bolders of Citizens Savings at

holders of Citizens Savings at a special meeting on April 9. The merger of the two Wil-mington institutions has already received advance approval by the insurance Commissioner of

As a result of the consolidation, Peoples Savings' assets will increase to approximately 30 million dollars and it will become the 23rd largest sav-ings and loan association in North Carolina of the 184 ass-North Carolina of the 184 associations in the state. Spence will become Vice President of Peoples Savings and will assume his duties as of the effective date of the merger. Mrs. Katharine A. Alexander will also join the staff of Peoples Savings

Savings.

Spence stated that the decision had been reached by the Directors of Citizens after many months of study and deliberation and it appears to be

Citizens' shareholders to effect ther merger with Peoples Savings. He further stated that Peoples was one of the strongest institutions in the state and that the consolidation would give Citizens' shareholders accounts in a progressive and stro-ng institution together with the additional customer conveniences of drive-in window service, night depository and the advantage of having an alternate location in Winter Park at which to do business.

**Turkey Federation Convention** 

Marvin Johnson, right, retiring President of the National Turkey Federation, presents gavel to incoming President David Graham of Washington, Indiana, at recent convention

Bissert stated that the advantages to Peoples Savings would be better utilization of its office facilities and staff and the operation of the amicipated 30 million dollar associational very little more than present

expense, thus increasing pro-titability of operation in times of high operating costs and exceedingly high interest rates. He also stated that he is pleased to have a man of Spence's experience and caliber joining the organization of PS&L.

As a result of the merger, the Citizens' office at 317 Che-stnut Street will be closed on June 30 and all customers June 30 and all customers of Citizens can do business at PS&L's office at Fourth and Market or its branch office in Winter Park. Announcements for the meeting of final shareholder approval have gone out to Citizens' shareholders and Spence urged all of them to return promptly the proxy and return promptly the proxy and authorization forms.
