Warsaw J C's Makes Award Via Telephone From Manila

DREWER NAMED '69 DSA RECIPIENT

Craven Brewer

The Warsaw Jaycees, in a rather unique presentation, named Craven Brewer as their 1969 Distinguished Service Award recipient. Brewer was in the Philippine Islands serving two weeks active duty for the U.S. Navy. Although 12,000 miles from Warsaw, Brewer was on hand for the presentation by way of a special telephone conference Speaker Set made possible by Carolina Telephone and Telegraph Company.

Frank Steed, honorary life member of the club gave the invocation which was followed by a fine meal at the Duplin Country Club. Jaycees President Brooks Boyette then gave the welcome. DSA Chairman, E.C. Thompson, III, introduced the guests and past DSA recipients. Jaycees Jim Turner introduced Tana Carlton and Bill Britt as this year's Outstanding Teenagers. Turner made a few brief comments about each and ended by saying "Fine children come from fine parents." He then introduced Tana's and Bill's parents, Mr. and Mrs. Nelson Carlton

and Mr. and Mrs. W.G. Britt. Roger Phillips was presented The Key Man Award by Jaycee President Brooks Boyette. This award is given to the Jaycee who had done more for the club during the past year.

DSA Chairman Thompson presented the DSA Award by recognizing Craven Brewer as the 1969 recipient. Thompson said, "Although Craven could not be here in person, tonight, he will be here by telephone. His next remarks were "can you hear me Craven." He then read a letter to Craven acknowledging the judges decision. Craven then responded and expressed his appreciation to the Jaycees for making this honor possible. Everyone was able to hear Craven over the Special Conference Set. Thompson then introduced Craven's mother, Mrs. Helen Brewer, who accepted the award for her son.

Some of Brewer's achievements are as follows: President of his Senior Class in High School; Graduate of the University of North Carolina at Chapel Hill; two years active

duty U.S. Navy; obtained rank of Lt. J.G.-United States Navy; past president of the Faison Jaycees; chairman of the Board of Stewards; member of Duplin County Development Corp; Vice President of Branch Bank and Trust Co., Warsaw; proprietor of Lord Duplin Apartments; member of Warsaw Jaycee and serving on Board of Directors; Chairman of 1969 Miss Duplin County Pageant.

After reading this fine list of achievements, Chairman Thompson described Craven as most distinguished by his personality as reflected in his constant enthusiasm, warm and friendly nature and unique ability to smile constantly, except when he's asleep.

Thompson called on Rivers D. Johnson who introduced Congressman David N. Henderson as the guest speaker.

Roger Phillips adorned the banquet leading the Jaycee Creed. The banquet was followed by a dance featuring Jimmy Aycock's Melodaires.

CONFERENCE SPEAKER SET--The above set was used to bring Recipient Craven Brewer's voice 12,000 miles from Manila to Warsaw last Friday night. By using the set an operator or party may make a call to where the set is installed. It will ring like a regular telephone. The call may be answered and transferred over the speakers or microphone. Also calls can be made from the set. The set was installed by Lexie Tyndall of Carolina Telephone and Telegraph Company.

Mr. and Mrs. John Hall, parents of the injured girl, said she was struck by a Volkswagen driven by one of her classmates, Charles Ivey III of Rt. 2, Mount Olive, as she attempted to cross the road in heavy traffic. The foreign car apparently threw her into a car operated by Mrs. Madeline Norris of Chiquapi before Randy came to rest on the rough pavement.

Randy was hospitalized at Duplin General Hospital with two broken legs, heavy abrasions and deep lacerations. She was released from the hospital Sunday with a cast on her left leg where both bones were broken about the ankle. The small bone was broken below the right knee.

East Central Conference includes parts of Wayne, Lenoir, Duplin, Jones, and Pender Counties, and had brought to Kenan Auditorium the largest crowd of spectators ever attending a tournament in the area. The Auditorium was filled to capacity (3,000 seats) by 8 p.m. with bus loads arriving too late to find seats. Every available parking space was utilized from the Court House to Grove Bridge. It was reported.
