Sanford Home Extension Club

The Sanford Home Extension Club met at the home of Mrs. Marie Monk. The meeting was opened by the president, Mrs. Eva Miller.

Extension agent, Mrs. Wallace spoke on the topic "Investing in Family Relationship". Each person had questionnaires to answer after the discussion. There was one question that hit the key note. What does it take to make a home? The club members gave 10 reasons as an answer to the question. 1. House 2. Love 3. Financial cooperation 5. Leadership 6. Communication 7. Children 8. Energy 9. Time 10. and money. However with the above thoughts in mind the club applied these to various stages of family relationship on how they could improve relationships at home.

Mrs. Wallace made six important announcements concerning the meeting events for the H.E.C.

The hostess served a delicious menu of potato salad open face sandwiches, windmill cookies, mints, Easter egg candy, and hot coffee.

The meeting was adjourned until the next meeting on April which will be held at Mrs. P.L. Graham's home.

Two reasons for buying an electric heat pump...

1. Heating 2. Cooling

Take a top-quality heating system, combine with a first-class cooling system and what do you have? An electric heat pump.

The flameless electric heat pump is a single compact unit that both heats and cools your home. It does so with no fuss, no bother, no seasonal adjustment or fueling. One setting of the thermostat and the system switches from heating to cooling and back again... automatically.

If your old furnace is giving you problems, modernize with the electric heat pump. Call us or your heat pump dealer for more information.
