scene of a fire at Aycock Mil- of feed for the operation. ling Co. in Wallace Thursday early morning.

A fire reported about six o'clock Thursday morning destroyed the original section of Aycock Milling Co., which began operations in Wallace in 1952. The loss was insured.

An estimated damage of \$75,-000 was done to the southern section of the plant which had just recently installed ad-ditional facilities allowing production of pellets as well as meal type feed.

Plant manager, J.W. (Jake) Aycock, Jr. estimated it would be five to six months before the plant is back in production. The firm is owned by Aycock, his father, J.W. Aycock, Sr. and brother-in-law, W.J. Gibson.

Aycock Milling Co. is one of the largest broiler-breeder

School Desegregation Plan

ing the coming school year. tion. It would be the intent of THE PLAN FOR 1969-70 the Board to have a minimum

1. Total desegregation of all seventh and eighth grade students in the Duplin County School System by assignment, 2. Retain all high school students where they are except in areas where transportation would necessitate a change. Assign ninth grade students to all high schools.

Department were still on the and the mill was the source

A.C. (Buddy) Hall, assistant night after battling the blaze Fire Chief of the Wallace Deof undertermined origin since partment said the fire burned through the floor where combustible dust caused the fire to flash into the southern section of the plant. The blaze was cut off from the northern and newer part of the mill but an eight-inch steel support in the new part was badly warped from intense heat. Exterior metal siding on a wall near the bl-

aze had melted.

Volunteer Fire Department from Rose Hill, Teacheys, Northeast and Penderlea aided in combating the fire that was estimated to have produced a heat of 1800 to 2,000 degrees. The firm employs about 50 persons and is trying to work something so all the employees can be kept. They were also concerned with their growers

and the supply of feed. Aycock owns breeder hens

the Board to have a minimum of two faculty members across racial lines in each school. 4. Eliminate dual transportation systems based on race in as many areas as possible, 5. Close Branch Elementary School and Teachey Elementary School. 6. Freedom of Choice will continue in grades k' dergar-ten through six.

Teenager

Jailed On

Narcotic Charge

A Maryland teenager is in Duplin County jail in lieu of \$2,000 bond for violation of narcotic

Timothy Tyler Bass, 19, white male of 2618 Belair Drive, Bowie, Maryland has been charged with having in his possession a quantity of Marijuana.

At a preliminary hearing before District Court Judge Russell Lanier, Bass waived hearing to Duplin County Superior Court. Bond was set for appearance at May 12th term of court.

The 1954 blue Dodge pickup, with plywood ranks on top and body, driven by Bass, reportedly gave out of gas about 3 miles North of Warsaw on U.S. Highway 117 Wednesday afternoon. Bass, who was broke, hi-tch-hiked back to Warsaw and at town hall, Trooper S.T. Joyner, of the State Highway Patrol recognized the marijuana in a plastic bag projecting from Bass' pocket. A search warr-ant was obtained and more of the narcotic was found in his pickup truck which is also being held by the county officials.
