 Cedar Forks Monday 6-9 P.M. Sept 8, 1969

4-H is a program for young people who take part in farming, home-making, community service, personal improvement and other activities. 4-H Club members learn by doing. Our motto is to "Make the Best Better". Our colors are green and white, and our emblem is the four-leaf clover with a white H on each leaf. The clover is the traditional symbol of good luck. They stand for the development of head, heart, hands and health. We develop our heads as we learn to think and plan, our hearts as we learn to be kind, sympathetic and cooperative. Our hands when developing skills such as farming or home-making, and our health by practicing taking care of our bodies.

4-H is by no means a little organization which is obvious by the number of members. There are approximately 2,185,000 boy and girl members, over 300,000 local or volunteer leaders for more than 94,000 groups in the United States and Puerto Rico. In Canada there are 66,000 members, 13,500 leaders for 5,200 clubs.

4-H has been around for quite a while. Farmers first sponsored boys and girls agricultural clubs about the year 1900. No one state is given credit for first originating such a club. As years passed such clubs became more widespread. The Smith-Lever Act of 1914

Marsha's Prescription: Smile!

What some folks need instead of a pop-up toaster is a pop-up mattress.

A golfer we know claims he followed his pro's advice, kept his head down with his eye on the ball, and somebody stole his golf cart.

Minor operation: the one that was performed on the other fellow.

At age 20 a young man thinks he can save the world. At thirty he begins to wish he could save part of his salary.

In the old days, when you asked, "Is it a boy or a girl?", you were looking at a baby.

Whether you are a long-haired boy or a short haired girl, we have those school supplies you need. Come in today--we are waiting for you at BREWER DRUG CO. in PINK HILL!

Nominations Open For ASC Community Committiem

Nominations by petition may be made for Agricultural Stabilization and Conservation community posts. Elections of A S C community committees will be conducted by mail during the period September 5 - 16. Three committeemen and two alternates will be elected to serve one-year terms. The newly-elected committeemen also will be official delegates to the county convention where farmers will be elected to fill vacancies on the Duplin A S C County Committee.

Those eligible to vote in the community committee elections also have the right to nominate by petition candidates for committee membership. Such petitions, each one nominating one candidate and signed by six or more eligible voters, must be filed at the Duplin County A S C Office by August 21. Eligible voters may sign as many petitions as they wish. Additional nominations may be made by the incumbent A S C community and county committees. Regulations require that where a minority group members make up at least 10 percent of the eligible voters in a community, a minority group member must be put on the slate of candidates unless one or more is nominated by petition.

Generally, nominees must live in the community in which they are candidates and must be eligible to vote in the A S C community election. Eligible voters include all persons with

farm interests as owners, tenants, or sharecroppers who are eligible to participate in any program administered by ASCS. Other details on eligibility of candidates -- such as restriction against political officeholders or fulltime Department of Agriculture employees -- may be obtained at the County ASCS Office. A S C S is the farm program agency which administers acreage allotments and marketing quotas, commodity price support loans and payments, cropland reserve and diversion programs, the Agricultural Conservation Program, and farm storage facility loans.

Persons with questions about eligibility of voters or candidates in the A S C S elections should contact Duplin County A S C S Office.

Hollerin' Contest Planned At Wayne County Fair

GOLDSBORO -- A special feature of this year's Wayne County Agricultural Fair at Goldsboro September 14-20 will be a "Hollerin' Contest" with winners to receive prizes totaling \$100.00.

Oland Peele, Fair Manager, announced today that a special guest and one of the judges for the contest will be Dewey Jackson, winner of the first annual National Hollerin' Contest held last June at Spivey's Corner in Sampson County. Jackson will also demonstrate his hollerin' ability at the fair.

The contest is scheduled for 8 p.m. Monday, September 15, in the Show and Sales Arena at the Fairgrounds five miles south of Goldsboro at the intersection of U. S. 117 and U. S. 13.

Prizes of \$25, \$15 and \$10 for first, second and third place will be awarded both men and women. First place winners also will receive an expense-paid trip to the second annual National Hollerin' Contest at Spivey's Corner next June 20.

Peele has named George Johnson, Farm Editor of the Goldsboro News Argus, as contest chairman. Persons interested in competing are asked to send their name and address to Johnson at the News-Argus, P. O. Box 1718, Goldsboro, N.C. 27530.

Johnson expressed hope today that some of the people who competed at Spivey's Corner this year also will enter the contest at the Wayne County Fair.

He was commissioned in 1964 upon completion of Officers Training School at Lackland AFB, Tex.

A 1959 graduate of James Kenan High School, Warsaw, N.C., Captain Tucker attended North Carolina State College. He earned his B.S. degree in 1964 from Campbell College, Bales Creek, N.C.

His wife, Betty, is the daughter of Mr. and Mrs. Joseph H. Rouse of Rt. 1, Magnolia.

OVER \$100 MILLION IN PROPERTY DAMAGE is caused each year in the U. S. by lightning, and fatalities average 600 each year.
