On Saturday, October 25, the East Duplin Future Teachers attended a rally in Fayetteville. The members were accompanied to the rally by Miss Mary Anna Grady.

The speaker for the day was Dr. Sam Hill, whose talk was based on education and the need for more teachers.

The next thing on the agenda was the election of state officers. Each contestant gave a campaign sild preceding the election. The 1969-70 officers are: President David Starnes, Hbrition High School; vice-president Jerry Michael Waters, Bath High School; and secretary Jo Anne Green, Ledford High School.

Following the business session the Sound System presented a musical program.

On Wednesday, October 29, the trend turned and small children were the center of attraction, as the Senior Class met to elect their Mascots for 1969-70.

Each child was placed before the class to do what ever he chose. After each child had done his act the final moment came. The two contestants elected were Lori Bodzinski and Neil Pickett.

Also during our class meeting we voted on our annual dedication, which will be announced later in the year.

The East Duplin Panthers were again defeated as they met the Jones Senior Rockets on Friday night.

As November 6th draws near several East Duplin students are planning to participate in Veterans Day activities in Warsaw. On November 8th the annual Miss Veterans Day Pageant will be held in the old Warsaw High School Auditorium.

This year Miss Suzanne Sutherland a Junior and Miss Billie Jean Jarman a Sophomore will participate in the Pageant.

Also at that time Miss Johnnie Lynette Thomas, the reigning Miss Veteran's Day, will give up her crown to some other deserving young lady.

Johnnie is a Senior at East Duplin and is very active in school affairs. She was also a contestant in the North Carolina Poultry Pageant.

The Meaning of Falling Leaves

The meaning of falling leaves goes beyond the obvious fact another Fall has come. It means another year has gone by — and one may well ask himself or herself, "What have I done with it?" The good Lord allots us only about 70 sights of falling leaves, on the average. If only we could convince the boy and girl of 18 ... the young couples of 25 ... the people in their 30s and 40s ... that *thrift* is so important! Open a savings account with us now — before too many leaves have fallen.
