## Mrs. W. J. Gibson BUSINESS AND PROFESSIONAL WOMEN

Carley Gibson is the first full time Executive Secretary employed by the Duplin County Board of Elections. Mrs. Gibson, whose office is located upstairs in the courthouse annex, has undertaken the gigantic task of updating the registration books under the new loose leaf registration system of voting. Persons moving to Duplin County, or those moving from one precinct to another inside the county should check with Mrs. Gibson as soon as the move is made instead of waiting until an election deadline. Mrs. Gibson pointed out that several persons in the recent election were not allowed to vote because they had moved to another precinct and had failed to notify the Board of Elections. She also pointed out that books always close 21 days prior to an election. Registration hours are 8:30 to 4:30 five days per week.

This native of Wayne County is a graduate of Fremont High School, Peace College, and Hardbergers Business College of Raleigh. She is married to W. J. "Hoot" Gibson, a partner in the Aycock Milling Company, Wallace and they have two children, Anne of Charleston, S. C. and Billy. The Gibsons are members of the Wallace Methodist Church and Rockfish Country Club. Carley is a talented musician, plays the piano, saxophone and violin, finds little time now to participate in civic affairs or hobbies but enjoys bridge, fishing, working in the yard and spending as much time as possible with her family.
