

## In ACTION

Harold Ross-President

The North Carolina Jaycees are celebrating their 30th anniversary, and the United States Jaycees are celebrating their 53rd anniversary. January 21-27, 1973, is National Jaycee Week and will be celebrated as Jaycee Week in N.C. This year our theme is "Progress Through Service."

Each local chapter in N.C. has been asked to celebrate Jaycee Week on the local level. We want to bring attention to our Jaycee organization on a National and State level, but more important, we want to bring attention and recognition to Jaycee Chapters on the local level, because that is where the action is. The local Jaycees are the most important ingredient to successful programs on the state National level.

The Warsaw Jaycees will be getting our celebration off to an early start with its annual

awards banquet on Friday night, Jan. 19, at the Country Squire. Dr. Norman Adrain Higgins, President of Campbell College, will be the featured speaker. Several awards will be presented to various individuals who have contributed to the community through outstanding service. Overall Banquet Chairman, Brad McIntosh, promises to make this the best awards banquet yet!
