Advertisement for Carolina Telephone United Telephone System. Features a large graphic of the number 263,000 and text stating 'Over \$263,000. That's what we're spending each working day this year. That's what it is costing us to keep up with the growth in eastern North Carolina and to improve our service to you. It's the most we've ever spent. And yet, local service charges are virtually the same as they were in 1957. In fact telephone rates are lower in a large part of our service area. When you talk about it, one of your biggest bargains is right under your nose.'
