Porcelain FINE CHINA

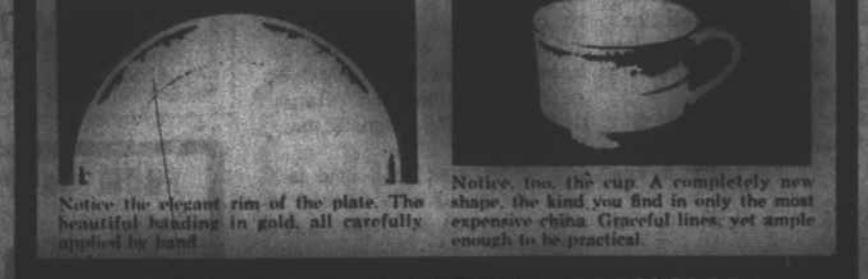

in a class by itself... totally new, totally different and ours alone!

only 39¢

WE'VE DONE IT! We insisted on coming up with something different. The kind of china you could consider your best service. Once you've seen it, we think you'll agree we've done it! The shape, for instance, an elegant modified rim, beautifully hand-d in gold. And the cups, gracefully shaped, like the most expensive china. The Queen Anne pattern has all the intricate beauty of the Renaissance. We could go on and on telling you how different, how unusual, how very fine this china is. But, instead, why don't you come in and see for yourself!

This is Queen Anne. An unusually handsome pattern with all the lavish decor and rich colorings of the Renaissance. Worthy of a formal dinner occasion.

Complete service for 8 to be available in this fine Queen Anne design. Start your set this week. You'll want to use this elegant china for all occasions.
