# National search is on for Pepsi-Cola antiques

**GOT AN ORIGINAL? ...WE'LL BUY IT!**

We're on a hunt for Pepsi-Cola antiques of the past... like original Pepsi-Cola bottles, signs, lamps, etc. The older the item the better! The better the condition, the more we'll pay. In fact, a rare item in good condition could be worth thousands of dollars.

**TO SELL YOUR ANTIQUES:**

A separate "Offer Form" (provided below or facsimile) must be submitted for each item you wish to offer for sale. Please provide all the data requested on the form. Do not send the item with your offer to sell. You may enclose a photograph or sketch which cannot be returned unless accompanied by a stamped, self-addressed envelope. Anyone over 21 can participate.

The hunt will end on September 30, 1973, and soon thereafter a determination will be made of the antique value of each item based on its desirability, age, condition and the number of similar items available for purchase. Following this determination, Pepsi-Cola Company will respond to all offers submitted indicating interest or lack of interest to purchase. (Failure of the Pepsi-Cola Company to respond to an offer to sell shall not be considered an acceptance of the offer.) Consumers may withdraw their offer to sell anytime before actually submitting the item to Pepsi-Cola Company.

In instances where the value of an item as determined by Pepsi-Cola Company is greater than the asking price submitted by the consumer, the consumer will be paid the higher sum.

In instances where the value of an item as determined by Pepsi-Cola is less than the asking price submitted by the consumer, no offer to purchase will be made.
