TRANSPLANTING
 Whether you're transplanting tomato, tobacco, pepper or any other plant, chances for good plant survival are better if you transplant when conditions are most favorable.

Minor CUTS SORES and BURNS

Control tough weeds in SOYBEANS

for as little as **\$1.25 per acre.**
 Apply **LOROX™** postemergence.

Lorox—in combination with Surfactant WK controls cocklebur, teaweed, annual morningglory, sicklepod and other problem weeds that cut down soybean yields and profits. This combination kills weeds on contact and also controls shallow-germinating annual weeds.

Most seedling weeds can be effectively controlled with band treatment of Lorox and Surfactant WK for as little as \$1.25 per acre.

Lorox can be used on soybeans as small as 12" to help increase yields and profits. When used as directed, it minimizes soil-residue problems. After four months, you can replant your fields to any other crop.

Grow cotton? Lorox plus Surfactant WK, used as a layby treatment, effectively controls broadleaves and grasses while minimizing soil-residue problems.

For bigger yields and bigger profits, get Lorox today. See your local supplier for details.

Use any chemical, follow labeling instructions and warnings carefully.

BEAULVILLE CITIZENS
 NOTICE OF SALE OF TAX LIENS ON REAL PROPERTY
 Under and by order of the authority vested in me by Chapter 202-107 of the General Statutes of North Carolina and pursuant to an order of the Board of Commissioners of the Town of Beaulville dated February 21, 1973, I will offer for sale and will sell at public auction, for cash, to the highest bidder at the Town Hall, 100 S. Beaulville, North Carolina, at 10 A.M., on June 11, 1973, liens upon the real estate described below for the non-payment of taxes owing for 1972 and prior years. The amount advertised will be increased by interest and costs and the omission of interest and costs from the amount advertised will not constitute a waiver of the taxing unit's claim for those items. No bid will be received unless it is at least equal to the principal amount of the taxes advertised plus interest and costs accrued thereon at the date of sale. The real estate that is subject to the lien, the name of the person to whom the property is listed for taxes, and the principal amount of the taxes are set out below. Reference is made to the records in the office of the Town Clerk of the Town of Beaulville for a more particular description of the real estate.

Donates Bookshelf To Jail
 John Archibald, Duplin Co. Librarian and the Rev. Hillier, pastor of Beaulville Baptist Church recently started a program of circulating books to the prison inmates of Duplin Co. A circulating bookshelf was desperately needed for this project. Mrs. D.R. Byles graciously offered to supply one for use in the county jail. The bookshelf is painted in a bright yellow and has wheels so that the books can be easily moved to and from the different cells.
