We have too many good things to offer you to make any up.

We won't guarantee you anything we can't pay off. (If we guarantee you Hawaii, start waxing your surfboard. You'll need it.)

Everything we guarantee will be put down in writing. In a legal document that you get a copy of. (If you agree to sign for computer training and the Delayed Entry Option, it will all be spelled out in language you can understand.)

We want you to know without a shred of doubt that you'll get everything you signed for. So we'll give you this card. On the front is what you signed for. And on the back is an address to write to in the Pentagon, just in case you didn't get what's on the front.

We think today's Army has a lot to offer you. We'll try to convince you of that. That's our job. But we'll never try to mislead you. That's our job, too.

Today's Army wants to join you.
