

East Central 3-A Football Roundup

ECC Games
This Week

Beulaville. The Panthers of East Duplin High made a real big comeback last Friday night in a defensive battle with their rivals from Wallace-Rose Hill and in most cases a real big win over the Bulldogs in an East Central 3-A football clash. East Duplin did fight back to gain at least a tie 12-12, and are now 1-1-1 in the conference. Wallace-Rose Hill's record in the ECC is the same 1-1-1.

East Duplin's costly error came in the first quarter on a pass that was fumbled and Jack Frazier picked up the ball and stepped in to the end zone to tie the score 6-6. The Panthers opened the scoring on the second series in the early part of the game. Halfback Paul Bollen took a handoff from quarterback Danny Faye and yarded 81 yards for a touchdown. Steve Horne's try for the extra point hit the uprights and fell back on the field.

The Bulldogs gained a 12-0 halftime score on another Panthers mistake. The scamp from center was a little high and Horne turned and fell on a fourth and kicking situation. The Bulldogs recovered on the Panthers 30 and in five plays Steve Robinson raced 12 yards for the go ahead touchdowns.

In the final quarter, after a punt, the Panthers advanced 24 yards to the 20-yard line. The scoring drive was climaxed by a 45-yard pass from quarterback Faye to end play-Digby Billy Ray Smith. The Panthers led 12-0 but the tough Bulldogs defense stopped hard running Frazier just short of the goal line for the winning point.

In other East Central action the Yellow Jackets of Roseboro-Salemberg upset the team picked to win the ECC title this season, Richmond 16-7. The Jackets' offensive star quarterback Jimmy Hobbs ran for two touchdowns and passed for a third to lead 12-0. The Blue Devils of South Lenoir shut-out the Spartans of Union High 20-0 in another ECC game, while the Red Devils surprised league doings Hobson 20-0.

Princeton: The North Duplin Rebels, ranked number one in the state in Class A, Manned Princeton, ranked number two, 22-6, in an important Carolina Conference clash. The game was billed as real close but Coach Richard Kaseel's Rebels showed they were the class in 1-A.

The Wildcats of E.E. Smith received their biggest thrill last week when they defeated E.E. Grady 28-0. The win was the biggest of E.E. Smith's career. Robert Miller, Smith's big halfback gave the biggest boost, as he scored five touchdowns and four extra points for an individual effort of 34 points. He broke tackles all day steadily on sweeps for his effort.

Randy Brown scored two touchdowns on intercepted passes and gave Robert all the blocking he needed. Smith's quarterback heaved a long pass to Jerry Herring for another score and Stanley Baker scored the last touchdown on an off tackle play.

The win puts E.E. Smith in a tie for first place with Beulaville on a 6-0 win over Warsaw last week. This week's game puts Smith and Beulaville

in a tie for first place in the ECC. The game was very high in the defense led by Smith's Fred and J.M. Vassar. The Rebels' center was impressed throughout the offensive signal caller Mike Herring.

GO ON A FALL CAMERA HUNT

One of man's most fundamental urges, to hunt, to pit his skill against the wits of some other living creature, has been curbed these days for a variety of ecological reasons.

But it is always open season for the hunting of animals with a camera, satisfying the hunting urge and offering a trophy of skill without harming the quarry. Bird photography in particular provides the fascination of stalking, seeing without being seen, close approach, observation and deduction, perseverance, and loss or victory.

The thrill of capturing closing, intimate scenes from birdlife belongs to the camera hunter whose trophies grace his wall with a sense of life rather than death.

Don't forget plenty of sandwiches, miles of stalking through field and forest make you hungry.

The pictorial appeal of a bright-eyed, alert bird in its natural habitat; the clarity and depth of striking photograph enhances the camera hunter's reputation as a man of taste, skill and wit.
