

**SANDY PLAIN CHURCH VISITS MOUNT OLIVE COLLEGE** - Members of the Sandy Plain Free Will Baptist Church traveled to Mount Olive College to visit the College they help sponsor as members of the Original Free Will Baptist Denomination in North Carolina. Located between Beulaville and Pink Hill, Sandy Plain Church Adult Sunday school class made a \$1,000 contribution to the newest building on campus, Rodgers' Chapel. The visit was arranged by the adult Sunday school class to give church members a greater opportunity to actively participate in their church's work. The church members ate lunch at the college cafeteria and toured the 110 acre campus. During the 1976 church college dinners held in the fall, Sandy Plain Church won a \$100 student scholarship for contributing the largest amount at the Duplin County dinner in support of Mount Olive

**THIRD DISTRICT CONGRESSMAN CHARLIE WHITLEY** - congratulated former House member Brock Adams on his appointment and confirmation as Secretary of Transportation in the Carter administration. Whitley said he has known Adams very well in his capacity as Chairman of the House Budget Committee, and is confident that he will do a good job as the new Secretary.

Final arrangements have been made for the star-studded super Sunday to be held February 13th at the West Hill First Baptist Church in Warsaw.

This will commemorate the 60th anniversary of the National Association for the Advancement of Colored People, and wind up the membership and fund drive for 1977. Individuals, churches, fraternal and civic groups are soliciting members and funds during the month of January. The February 13th celebration will climax this effort. The Duplin County branch is putting forth the effort to become a member of the exclusive "One Million Dollar Club."

**COMMENDED STUDENT NATIONAL MERIT SCHOLARSHIP CORPORATION**

Principal Bill Taylor announces that one senior at James Kenan High School has been named a Commended Student in the Merit Program by the National Merit Scholarship Corporation (NMSC). A letter of Commendation was presented to Sonya Powell, daughter of Mr. and Mrs. Claud Powell, Warsaw.

**THERE IS GOOD.**

**OURS IS BETTER.**

**AT LEAST \$15 AN ACRE BETTER.**

Their broad spectrum fumigant, protects your tobacco crop against nematodes and diseases. And that's good.

Our broad spectrum fumigant, Terr-O-Cide® 30, is better than good. Ours not only does everything that theirs does. Ours does it better. From \$15 to \$18 an acre better. And then some.

Tobacco tests conducted at North Carolina State University have proven Terr-O-Cide 30 to be an effective multi-purpose fumigant against nematodes and diseases like black shank and Granville wilt. But that's not all. Terr-O-Cide 30 was given an excellent recommendation for control of nematodes by the same University.

What's more, with ours there's 40% less fill-up time. Because Terr-O-Cide 30 is applied at a row rate of 6 gallons per acre. So ours is easier to handle. With fewer stops to fill up tanks.

We even think you'll like our bright blue, poly drum better than their steel drum. Ours is rust-free. Theirs isn't. So ours won't clog your application equipment. Theirs or ours. The choice is yours.

If you want superior control of nematodes and soil-borne diseases, at an economical cost, see your Terr-O-Cide 30 dealer today. And start making your good tobacco yields even better.
