

PRO-I. B. DUFFER

SANDTRAPPER WINNERS AT DUPLIN CC - The above ladies were winners in the regular league play of the Sandtrappers at Duplin last Tuesday, February 22. The winners were, left to right, Buccaneer's Danie Hayes, low putter; Rockfish's Linda Briggs, low gross with an 83; Duplin's Nancy Edens, low net with a 62; Rockfish's Luba Garriss, longest driver; and Rockfish's Maybell Whitaker, closest to pin. Pro Joe Wirthman reports 39 ladies played in the turnout.

The weatherman has been unkind to the golfers since way back, but a touch of sunshine here and there brought out a few of the link flailers over the past week. It looks like no tourney play will really get underway until some time in late March or early April. All the clubs in the area report good play several days recently, but that unpredictable weatherman is still telling us winter will still be around for a little while longer.

Lakewood Pro Doug Smith announces a Jaycee Invitational Golf Tournament has been scheduled at his club for April 30th. This may help other clubs in setting up tournaments. All the clubs in the area need to know each other's schedule... So check this one on your calendar, committees.

The weather may not be just right for most duffers, but we have word that three eagles were recorded last week. Rambleswood's Bragwell Smith had one on a number three hole, Lakewood's Woodrow had one on a number five hole, and Joe Bilely of Richmond registered one each on number five at Lakewood.

Coharie Pro Ed Smoot announces two golf tournaments including a two-man best-ball on the weekend of May 14-15. The real biggie at Coharie will be coming up the third weekend in July... It has to be one of the outstanding invitationals anywhere. These golf events were announced so other clubs may set tournaments and avoid conflict. Pro Smoot urges golfers from Duplin and other clubs to come and play with him anytime.

Magnolia's spectacular Jack Carr recorded the first hole-in-one of the year at Lakewood Country Club. Carr, using a nine iron, aced the number six par three hole, witnessed by Joe Rouse and Rodney Smith. Congratulations, Jack.

Rambleswood Pro Jim Finch announces golf clinics will be held for boys and girls, along with women, at his club during June... right after school gets out for the summer. All boys and girls of the club are invited to attend the clinics.

Duplin Pro Joe Wirthman reports only foursomes or less will be allowed on the course during weekends, Wednesdays and holidays. In other words, no more fivesomes, boys.

Richmond's Joe Bilely, Mr. Charlie Thomas' son-in-law, and J. P. Smith won the closest

with Woody Schuman, Town Administrator. Kenansville continues to prosper. This past Tuesday night, February 15, history was once again made in Kenansville. At the annual organizational meeting of a proposed Kenansville Area Chamber of Commerce held on that date, a decision was made to have such an organization. A committee was appointed to draw up by-laws for the organization and to study a dues structure. This committee will present its study and report at the first regular meeting of the Kenansville Area Chamber of Commerce to be held on March 8, 1977, at 7:30 p.m. at the Duplin County Farm Bureau Building.

The Chamber of Commerce is open to anyone who is interested in the betterment of the Kenansville area. You do not have to own a business to be a member. Membership is open to everyone. To date over 30 individuals and businesses have expressed an interest in being a member. If you desire further information, or wish to join, contact me at the Town Hall.

Another item of discussion at the meeting on February 15 was the Governor's energy conservation measures. Governor Hunt has requested that we all set our home thermostats at 65 degrees. He has also made it mandatory that businesses not operate their business for more than 48 hours at 62 degrees. Businesses must also post a sign stating what hours they will be operating with their thermostats at 62 degrees. There is no limit on the number of hours a business can operate; however, all hours of operation over 48 must be with the thermostats set at 55 degrees. We encourage everyone to comply with these regulations and requests.

On February 22, the Jim Burns program of WECT-TV, Channel 6, Wilmington, was in Kenansville taping a program about Liberty Hall and other historic places in Kenansville. Tentative plans call for the program to be aired sometime in the middle of March. When I

BARBECUE PORK SUPPER

Don't forget the Barbecue Pork Supper sponsored by the Warsaw, Kenansville and Magnolia Jaycees and the James Kenan Supporters at the JK High School cafeteria, Saturday, February 26th from 5-7 p.m. Deliveries will be made from 4:30 - 6:30 p.m. The suppers are \$2, and proceeds will go to the James Kenan Athletic Department.

BASKETBALL DEMONSTRATION

The 4th, 5th and 6th graders of Kenansville and Warsaw Elementary schools will put on a basketball demonstration on Saturday, February 26th at 6 p.m. at James Kenan High School.

They have been participating in a basketball clinic for the past four Saturdays at James Kenan. Following the demonstration, the Kenansville Jaycees will play the Warsaw Jaycees, and the Magnolia Jaycees will play the Mount Olive Jaycees.

The cost of the demonstration and the basketball games will be \$1, and the proceeds will go to the James Kenan Athletic Department.

base of a definite date, I will announce it in this column. The Kenansville Beautification Committee has won another state award. Members of the Committee will be going to Raleigh on March 28 to receive the award. Anne Craft, our newest "senior citizen", is chairperson of the Committee.

Thanks, Anne, and all the Beautification Committee members for your fine work. The efforts of such groups as the Beautification Committee is what makes Kenansville such a great place in which to live. Always remember - Kenansville is Proud of its Past and has Pride in its Future.

NORTH CAROLINA DUPLIN COUNTY NOTICE OF SALE
UNDER AND BY VIRTUE of an Order of the Clerk of the General Court of Justice, Superior Court Division for Duplin County, made in that Special Proceeding No. 77 6P 5 entitled, "Audrey F. Lane & husband, Woodard D. Lane; Helen S. Davis (Unmarried); Wesley C. Sullivan, Jr. & wife, Frances M. Sullivan; Nancy Geraldine S. Wright & husband, David Wright, Petitioners v. Mary Anne Sutton Sullivan & C. Branson Viokor, Guardian Ad Litem for Clarrissa Jane Sullivan (Minor), Respondents", the undersigned Commissioner will on the 11th day of March, 1977, at 12:00 o'clock Noon on the premises, offer for sale to the highest bidder for cash that certain tract or parcel of land lying and being in Glisson Township, Duplin County, North Carolina, and more particularly described as follows:

TRACT ONE: Said lot of land may be located by starting at an iron pipe in the center of Graded Road #1506 at a point where the waters of Spring Branch flow underneath said road; thence running S. 88 degrees 25' E. 168.50 feet to an iron pipe in the center of said road, the beginning corner of the lot of land hereinafter described; thence

running from this beginning corner as a straight line S. 82 degrees 45' E. 78.50 feet to an iron pipe thence S. 83 degrees 02' E. 77.30 feet to an iron pipe in the center of Road #1506; thence with the center of said road N. 28 degrees 54' W. 77.15 feet to an iron pipe, the point and place of BEGINNING, containing 33,873 square feet or 0.771 of an acre. And being a portion of a certain tract of land claimed by J. R. Waters and wife, Nettie Waters by a deed dated November 5, 1951, from James D. Herring, et al, recorded in Book 471, Page 22, of the Duplin County Registry.

TRACT TWO: BEGINNING at an iron pipe in the center of Graded Road #1506 at a point where the waters of Spring Branch flow underneath said road; thence running along the run of Spring Branch as it meanders to an iron pipe which is bearing N. 2 degrees 03' E. 139.22 feet from the iron pipe in the road mentioned above; thence S. 82 degrees 31' E. 179.22 feet to an iron pipe; thence S. 6 degrees 45' W. 121.06 feet to an iron pipe in the center of Graded Road #1506; thence with the center of said road N. 88 degrees 25' E. 168.50 feet to an iron pipe, the point and place of BEGINNING, containing 22,554.28 square feet. And being a portion of the following deeda: Deed dated December 13, 1943, from Glennie J. Grady Arnette and Carl Grady & wife, Thelma Lillian Grady to Minnie Brown Ezell and husband, Henry L. Ezell recorded in Book 423, Page 284, of the Duplin County Registry. This description covers 7,347 square feet of the above referred to deed. Likewise being a portion of a certain tract of land claimed by J. R. Waters and wife, Nettie Waters by deed dated November 5, 1951, from James D. Herring, et al, recorded in Book 471, Page 22, of the Duplin County Registry. This deed covers 15,213.28 square feet, or the remaining portion of the above total.

This sale will be made subject to the 1977 ad valorem taxes. The highest bidder at said sale shall be required to make a cash deposit of ten percent (10%) of his bid as evidence of good faith.

This the 7th day of February, 1977.
s/George R. Kornagay, Jr.,
Commissioner

THEIRS IS GOOD.

OURS IS BETTER.

AT LEAST \$15 AN ACRE BETTER.

Their broad spectrum fumigant, protects your tobacco crop against nematodes and diseases. And that's good. Our broad spectrum fumigant, Terr-O-Cide® 30, is better than good. Ours not only does everything that theirs does. Ours does it better. From \$15 to \$18 an acre better. And then some.

Tobacco tests conducted at North Carolina State University have proven Terr-O-Cide 30 to be an effective multi-purpose fumigant against nematodes and diseases like black shank and Granville wilt. But that's not all. Terr-O-Cide 30 was given an excellent recommendation

for control of nematodes by the same University. What's more, with ours there's 40% less fill-up time. Because Terr-O-Cide 30 is applied at a row rate of 6 gallons per acre. So ours is easier to handle. With fewer stops to fill up tanks. We even think you'll like our bright blue, poly drum better than their steel drum. Ours is rust-free. Theirs isn't. So ours won't clog your application equipment. Theirs or ours. The choice is yours. If you want superior control of nematodes and soil-borne diseases, at an economical cost, see your Terr-O-Cide 30 dealer today. And start making your good tobacco yields even better.
