The Kenansville Intercom

with Wendy Edman
Town Administrator

This past weekend, April 23 and 24, the Kenansville Recreation Commission aided by the Kenansville Jaycees and Jayettes sponsored another softball tournament to raise money for the Kenansville Municipal Park Expansion Project. Teams from Wilmington, Clinton, Goldsboro, Wallace, Rose Hill, Chinquapin, Warsaw and Kenansville participated with Reeves Brothers of Kenansville being the champions. The tournament was full of excitement with many outstanding plays. This tournament and the one held on April 9 and 10 raised over \$800 for the park project. From all the sponsors, thanks for supporting this project.

While we are on the park project subject, let me ask a question. Have you contributed to this project yet? So far we have raised only \$230 through contributions. Some recent contributors whom we have not recognized are: Mr. and Mrs. Pat Matthis, Mr. and Mrs. Bill McKay, Mr. and Mrs. James Blanton and Mr. and Mrs. George Penney. Thanks to these and the others who have contributed, the park improvements will be a reality.

Next week in all the local newspapers we will have an announcement of a major contribution to the park project. When you find out who it is, please let them know how much we appreciate their help. The total funds that have been raised through contributions and projects exceeds \$8,000. Do your share to help us reach a goal of \$25,000. It can be done if we all pitch in.

We would like to welcome to Kenansville a new business, Carolina Radiator Service, who will be opening on May 2. Stop by and see the operator, George Ballard, and have your car checked out for the upcoming hot summer. Also moving to Kenansville recently was Mrs. Hazel Best and family, who are living in the old Whaley's Rest Home. We are glad to have them with us. Mrs. Best works with Whaley's Rest Home.

One of our Town Commissioners, John Hall, is a patient in Duplin General Hospital. John is dedicated to serving his

Town and working for improvements. Drop him a card and let him know that you appreciate all he does for his community. I understand it may be some time before he is back out at full strength but we do appreciate all that John contributes to our fine community.

Our DO SOMETHING recognition for a group or business this week goes to Quinn's Variety Store for fixing-up and painting-up their store. Their improvements add new life to the downtown area. The DO SOMETHING individual award goes to Buddy King. Without Buddy's efforts, the two softball tournaments could not have been as great as they were. Thanks, Buddy, for your hard work and dedication. Until next week, remember to do something to help your community and let everyone know that we are Proud of Its Past and Take Pride in Its Future.
