### County Dixie All Stars To Play Cape Fear

The Duplin County Dixie Boys (age 13-14) All-Stars will go against Cape Fear in a double elimination tournament starting Thursday, July 14th at 6 p.m. in Burgaw. The Duplin All-Stars are made up from Dixie teams from Warsaw, Faison, Wallace, Beulaville, Kenansville and Fountain. The Stars are coached by Joel Coleman, Warsaw, and Pete Melville of Wallace.

The weather has been almost unbearable lately, for work, that is. Somehow people can always beat the heat when it comes to play. So the number visiting Kenan Gym has not lessened a great deal. The Dixie Boys, coached by

Jerry Hall, finished their season last week with a 3-10 record. Everyone had a good time playing, even though a lot of victories did not come to the Kenansville Boys. Each boy is to be commended for his dedication and hard work. Many thanks for the interest and participation shown by all the parents this summer. Special congratulations go to Reno Casteen and Robbie Blanchard for being chosen to the County All-Star team. The All-Stars will be coached by Warsaw's Joel Coleman and the County team will play Thursday, July 14 at 6 p.m. in Burgaw.

The Dixie Boys also finished the summer schedule last week. The final standings were: Cubs 8-1, Reds 6-3, Dodgers 3-6, and Yankees 2-7. The various types of training and responsibility that young boys gain in playing baseball cannot be equaled. Much credit is due the time and effort all the coaches, parents and the whole community has put forth to get the baseball program started. From the four baseball teams in Kenansville, an All-Star team was selected to play in the District Play-Offs in Rose Hill. Players and coaches are listed in the Kenansville Intercom column this week. The Kenansville All-Star team will play its first game in Rose Hill Saturday, July 16th at 6:30 against Cape Fear. Please try to support our All-Stars.

The girls are still enjoying softball on Wednesday afternoons. Team B managed its first victory last week with Felicia Washington pitching. The prospects of playing another team is

looking a little brighter. Neale Turlington, new full-time Recreation Director from Warsaw is trying to form a girls' team. Welcome to Duplin, Neale, and good luck with your program. Following the girls' game on Wednesday, all of the young folks loaded onto the activity bus for a skating trip to Beulaville. Fifty people went to Skateland and had a terrific time. Another skating trip will be planned soon.

The regular season for Adult Softball will begin Friday, July 15 at the Municipal Park. Ladies games will be played at 6 and men's games at 7 p.m. All games will be played on Tuesdays, Thursdays and Fridays throughout the rest of the summer. Anyone wishing to join a team and play for the fun of it should call or come by the gym. The Tennis Tournament is still in progress. The tournament has taken longer to finish with the number participating, and the lack of lighted tennis courts. The singles trophies will be awarded this weekend.

The annual skateboard contest will be during the week of July 19-23. Please call or come by the gym to sign up. Any complaints or ideas are always welcome. Come see us at the gym.
