International 715/815/915 Combines

A big International combine answers the need to cover more acres a day with fewer grain losses. From cutting to unloading, balanced capacity meets varying crop conditions. Great for those extra-heavy hanging heads of maize. Plenty of grain header size from 10 to 24 feet, and the power to harvest a full pace with 145 to 162 hp.

- Low profile design - go through a 12-ft. door. Easier storage and transport, too.
- Fast changeover to other crop headers with Quick-Attach universal headers.
- Hydraulic PTO drive and comfort-control cable are standard.
- Big-mouth cylinder/cansave space - extra room for crop to enter, inclusive of and with straw walkers.
- Unload grain thru 12-in. auger tube, 145 bushels in 13 seconds.

Let's arrange a demonstration. Finance plans available.
