

Friday night football action as Lakewood defeats James Kenan Tigers 12-7

# East Central Conference 3A Football Round-Up

Roseboro. As one James Kenan fan put it, "A gift" to Lakewood, as JK lost a heart-breaker 12-7 to the Leopards. James Kenan has lost two real exciting games by just one minute and 42 seconds. They lost in their opener in the last 11 seconds, and the Lakewood game with only one minute and 31 seconds left in the game. So the Tigers are now 0-2 as the football season moves into the third game at Charles B. Aycock this Friday night.

Back Robert Miller raced 47 yards to give JK an early 6-0 lead in the first quarter. Jay Jones added the extra point and a 7-0 half-time score. James Kenan moved to inside the five yard line just before the half, but failed to score as time ran out.

Lakewood came roaring back in the third period, marching 55 yards to score, sending Mark Faircloth over from the five. Richard Cooper's try for the extra point failed, and JK's lead was cut, 7-6.

Several fumbles later, Lakewood marched 45 yards to tally the winning TD, sending Faircloth in from the one-yard line and a 12-7 win... with one minute and thirty-one seconds left in the game. James Kenan came right back behind the fine quarterbacking of Kirk Nethercutt and the exciting running of Miller, to move 55 yards in one minute and four seconds. With

27 seconds left, the Tigers hopes failed again as they were knocking on the door at about

the ten... but once again, the time ran out. James Kenan's defense was

outstanding all night, and the super performance of Robert Miller on offense was beautiful to watch as well as the play of Nethercutt... They played too hard to lose...

In other ECC games, the Dark Horses of Clinton High shut out

the power-packs of Raeford 22-0 behind the running of back Roosevelt Kirby. The Hawks of North Lenoir flew past the Panthers of East Duplin 25-0. The score was 6-0 at half, but the bigger Hawks roared in the last period. Pender cruised to a

26-8 win over North Brunswick and East Carteret nipped the Dogs of Wallace-Rose Hill 6-0; while South Lenoir was handing the Wildcats of Richlands a 26-12 defeat.

Support your team.

## ECC GAMES - Sept. 16

Clinton at Dunn  
JK at Chas. B. Aycock

Richlands at W-RH  
S. Lenoir at Greene Central  
Swansboro at East Duplin  
South Brunswick at Pender  
Raeford at Lakewood

ECC Game Results  
Sept. 9, 1977

Lakewood 12	James Kenan 7
Clinton 22	Raeford 0
Pender 26	N. Brunswick 8
N. Lenoir 25	East Duplin 0
E. Carteret 6	Wallace-RH 0
S. Lenoir 26	Richlands 12
N. Duplin 41	Hobbs 18

## Warsaw Recreation

Registration is this week at the Warsaw Recreation Department. Classes will begin the week of September 19. Pre-registration is urged so you can get the class you want before it fills up. Below is the schedule for Fall. All classes will meet for ten weeks. Call, or go by the Warsaw Recreation Department (293-7182) for more information and to register.

### YOUTH

Pottery (Hand Building) 5th-8th grade, Monday 4:30-5:30  
Tumbling & Gymnastics, 6-10 years old, Thursday, 4-5 p.m.  
Tumbling & Gymnastics, 11-15 years old, Thursday, 5-6 p.m.  
Game Time - Recreation Center Open (no basketball) Monday-Friday, 3-4 p.m.  
Arts & Crafts, 5-8 years old.

Tuesday, 4-5 p.m.  
Arts & Crafts, 9-12 years old, Friday, 4-5 p.m.  
Teen Arts & Crafts, Wednesday 5-6 p.m.  
Teen Flicks, Wednesday, 7-9 p.m.  
Midget Football, Wednesday, 6:30 p.m.  
Fun Film, 4-12 years old, Wednesday, 4-5 p.m.

### ADULTS

Pottery (Hand Building), 9th grade and up, Monday, 6:30-8 p.m.  
Ladies Slimnastics, Tuesday, 7-8 p.m.  
Ladies Slimnastics, Thursday, 6-7 p.m.  
Co-Recreational Volleyball Organizational meeting, Thursday, September 22 at 7 p.m.  
Jog and Jiggle, Monday Friday, 5:30-6:30 p.m.

## Wildlife Director Named For District

Larry Fitzpatrick of Jackson-

ville was recently elected North Carolina Wildlife Federation Director for District 2B for the year 1977-78. District 2B includes Duplin, Onslow, Jones, Carteret and Pender Counties.

The N.C. Wildlife Federation is a non-profit organization dedicated to promote the conservation, management and proper use of wildlife and other natural resources in the state, and its membership consists of conservationists, hunters, fishermen and nature lovers.

Larry Fitzpatrick has been

active in the Federation for many years. Any hunting or fishing club is eligible to join the Federation, and the new District Director urges any clubs in this area that are not affiliated to contact him for further information. He may be reached in

Jacksonville, Telephone 455-1902. The Federation works very closely with the N.C. Wildlife Resources Commission, and it is thanks to these organizations that North Carolina enjoys the fine fishing and hunting opportunities that we have today.

## ON JANUARY 17, 1977 THE ENERGY SHORTAGE COULD HAVE INTERRUPTED YOUR REGULAR TV PROGRAMS.

You may not remember the date, but you probably remember the weather. All over the East Coast, temperatures reached an all-time low. While demands for energy reached an all-time high.

A neighboring utility had equipment failures and had to "borrow" power from CP&L. Then, CP&L and another neighbor also had problems. This, coupled with record demands, could have created a serious energy crisis, and caused some drastic measures.

You may have seen the results on your TV screen. The first screen shows normal power. When we had to cut back power, your picture may have looked a little smaller than usual. If things had gotten worse, we may have had to shut off power altogether for a period of time, and you'd have had no TV.

Even more importantly you'd have had no electricity for heating or cooking. Or hot water. Or anything.

Fortunately, we didn't have to do that. Because, on January 17, CP&L's power system had 26% reserves.

But, in the 1980's, we'll have less than half of that reserve. Which may not be enough, if we have more situations like the one on January 17. What's more, if the demand keeps going up, the way it has been, we'll have to build more and more plants. Which, of course, eventually means higher rates. That's why it's important that all of us keep doing everything we can to keep the demand as low as possible.

COOL

By more conservation on your part, you can help keep the demand down, and the price low. Save on your electric bill, call us today at 293-7182.
