

Wrestling Coming To Kenansville

Monday, January 23rd at 8:15 p.m. is the date and time for a big night of action-packed Mid-Atlantic Championship Wrestling at the Kenan Memorial Auditorium. The matches are being sponsored by the Kenansville Jaycees.

Ricky Steamboat and The Mighty Igor clash with Black Jack Mulligan and The Crusher in the main event, and this promises to be one of the wildest and roughest tag team matches ever held in this area. Igor and Steamboat will be going all out in this match for a victory and to settle some old scores once and for all. This means plenty of trouble for the villainous Mulligan and Super-

star. The fans will not want to miss any of the exciting action when these two teams tangle in the ring. The results of this brawl will be pure mayhem. This free-wheeling main event will be a one-fall battle with an hour time limit.

In the semi-final match, black star Bobo Brazil collides with Crusher Blackwell. There will be plenty of fireworks right from the start of this match.

In another singles match, The Missouri Mauler goes against newcomer Bryan St. John.

In other singles action, Roberto Soto faces Charlie Fulton, and opening the action, Abe Jacobs battles Tony Russo.

19th Hole
PRO I. B. DUFFER

Duplin Board of Directors Secretary Marie Warrington announced that Dr. Carl Price has been re-elected club president for the coming year. The Board also expressed appreciation to Dr. Price for a fine job this past year. Other members re-elected to serve this year includes Rivers Johnson and Robert West. Johnson, West and George Penney were elected to serve another term on the Board by the general membership last Monday night. The full Board of Directors at DCC includes Carl Price, Ed Rector, Marie Warrington, Bob Brumleve, George Penney, Fisher Carlton, Dan Holton, R.D. Johnson, Jimmy Tadlock and Robert West.

Duplin's Rob Lee announces a men's golfing weekend has been planned for Myrtle Beach March 10-12. The golf activities include playing golf at Arcadian Shores Golf Club and Myrtle Beach National Golf Club. Arcadian is located adjacent to the Myrtle Beach Hilton, where the group will be staying, and is rated the fifth best in South Carolina. National is an outstanding course designed by Arnold Palmer and is rated in the top twenty courses in the state. Twelve members have already signed to go. If you would like to go, contact Rob Lee (293-4227 or 296-1341). Thanks.

The Lady Sandtrappers will play golf at Rockfish Country Club in Wallace Tuesday, January 24. Coffee and donuts at 9:30 a.m. and tee time at ten.

Progressive bridge and a covered dish dinner is on tap at Duplin Friday night, January 20 at 7 p.m. Bring a dish and join in the gala event then.

JK Jabber
By Susan Todd

This week has been a busy one at James Kenan. Exams have dominated the minds of most JK students. There has been an atmosphere of quietness and studiousness in the halls. Although all students had to be at school at 8:30 Monday morning, several enjoyed later class hours on Tuesday and Wednesday.

are appreciated by every student.

Remember, JK has three games at home this week. January 17th they play Clinton, January 20, Pender is the opponent, and on January 21, it's Clarkton. The Tigers could use your support. Wouldn't you like to be there to see the Tigers win?

Recreation Commission Meeting

The Magnolia Town Board has appointed a Recreation Commission to study and make recommendations regarding a continuing recreational program for Magnolia Township residents of all ages.

The first meeting of this Commission will be held Thursday, January 19 at 7 p.m. in the Magnolia Town Hall. Anyone interested in assisting this Commission or making suggestions is invited.

This past weekend, January 13-15, was filled with many events. It all started with Friday the 13th and its bad weather. Sunday we woke up to snow on the ground and ended it with the Super Bowl. However, sandwiched in between all this was the loss of a great American - Hubert Horatio Humphrey.

The death of a great leader is always a shock. Senator Humphrey knew he was dying ever since terminal cancer was discovered last fall. Words of grief and praise have been spoken throughout the country and world.

Senator Humphrey was a fighter. Just last week he is quoted as remarking to Senator Edmund Muskie that he "might lick this thing yet."

Vice President Walter Mondale remarked, "This is the saddest moment of my life. He showed us how to die with dignity and courage and with meaning."

"From time to time our nation is blessed by the presence of men and women who bear the mark of greatness, who help us see a better vision of what we can become," President Jimmy Carter said. "Hubert Humphrey was such a man."

"To many he was Mr. Democrat. But he was more than that. He was Mr. America," said Senator Henry Jackson.

Our own North Carolina Senator Robert Morgan said, "The farmers of North Carolina have lost a great friend. Last year he pulled a portion of our tobacco program out of the fire and saved it on the Senate floor. I guess so much has been said about him, but to me the country has lost the man who has made the greatest contribution for change in my lifetime - change for the good."

Death is always a time of grief

Town Administrator

and a time to reflect back on a person's life. However from what I have read and heard about Senator Humphrey in the past, I do not believe he would want Americans to stop looking forward. As Edward Everett Hale, author of "The Man Without a Country", wrote around 1900, "To look up and not down, To look forward and not back, To look out and not in, and To lend a hand." Of more recently in the 1940's, John D. Rockefeller, Jr. said, "I believe that every right implies a responsibility; every opportunity, an obligation; every possession, a duty."

I encourage everyone to join in the fight for a better world, country, and local community. Let's continue to move forward and upward, not downward. Accept the responsibility of contributing your God-given talents.

January has been proclaimed "Jaws of Life Month" in Duplin County. The rescue squads of the County are trying to raise \$5,400 to buy a tool which can aid in the extricating of trapped victims. This tool, known as the "Jaws of Life", is greatly needed to assist our rescuers. Please contribute to this worthwhile endeavor.

The Kenansville Housing Rehabilitation Program has gotten off to a slow start. So far very few people have stopped by its office to inquire about the program. It is located in the same building where you must go to list your taxes. Also, to better inform the Kenansville citizens of the program, a meeting to explain it will be held on Wednesday night, January 25 at 7:30 in the cafeteria at E.E. Smith Junior High. Everyone is encouraged to attend.

The Kenansville Area Chamber of Commerce is in the process of developing a plan of work for 1978. If you have any items you wish them to consider, contact President Carol Jenkins or myself. The annual meeting of the Chamber will be held Friday, January 27 at 7:30 p.m. at Bill Brown's Restaurant. Roy Fogle, President of the National Association of Development Organizations, will be the guest speaker. If you would like to attend, please contact Ray Johnson or Violet Phillips.

Last year, shortly after this column was started, the DO SOMETHING awards were initiated. Again this year, the awards will be continued. If you know someone who deserves to be recognized, please let me know. Many times someone who deserves recognition is overlooked simply because no one bothered to step forward and let their efforts be known. Until next week, DO SOMETHING and remember that Kenansville is Proud of its Past and has Pride in its Future.

"Praising all alike, is praising none."
John Gay

"Gains lubricate the body and the soul."
Benjamin Franklin
