FOUR-H GUEST SPEAKER - Lee Hood Capps, center, of the Neuse River Council of Governments, was the guest speaker at the annual 4-H Recognition Banquet Friday night. Pictured with

Capps is his wife, left, and Mrs. Lois Britt, 4-H Extension Agent in Duplin County. Capps spoke on the National 4-H theme, "Freedom To Be." Mrs. Capps sang the 4-H song after the speech.

JSI Continuing Education Classes

The Continuing Education Department at James Sprunt Institute will offer these classes at the following times and locations:

CAMPUS

Beginning Black & White Photography: The photography class will begin meeting from 7-10 p.m. on Thursday nights in the Commercial Art Department. The class, instructed by Mark Patrus, will meet for 12 weeks.

Adventures in Attitudes: A new class will meet on Monday nights from 7-10 for 10 weeks. The instructor will be Ms.

Johnnie Whitman and anyone wishing to examine his attitude should plan to attend. Materials for the class will be \$35. If you wish to attend and have not pre-registered, please call the Continuing Education Department immediately so adequate materials can be ordered.

BEULAVILLE GARDEN CENTER

Oil Painting: An Oil Painting class will be taught at the Beulaville Garden Center beginning Wednesday, January 11 from 1-4 p.m. The instructor will be Ms. Ione Griese of Richlands. Instruction methods

will be tailored to the student's individual needs and Ms. Griese can help all students from beginners to advanced. No previous art experience is necessary to learn oil painting, so come on out and see if you have the touch. It is not too late to enter.

Beginning Plant Care: A class in the care and growing of ornamental plants will be offered at the Beulaville Garden Center beginning January 26 from 6:30 to 9:30 p.m. The class will be instructed by Tom Murphy, owner and operator of the Beulaville Garden Center. If you want to know how to take care of your plants, check it out.

Decoupage: A Decoupage class will begin at the Garden Center at 6:30 p.m. on January 24. Instructor for the class will be Ms. Lura Pelletier of Jacksonville. The class will meet from 6:30 - 9:30 on Tuesday nights.

CEDAR FORK COMMUNITY CENTER

Custom Tailoring: A custom sewing class for men's and women's apparel will begin at the Community Building on Wednesday, January 25. The class will be taught by Ms. Zoe Raynor of Cedar Fork. The class will meet from 9 - 12 noon, and from 12:30 to 3:30 p.m. on Wednesday.

There will be a \$5 registration for all of the above classes (senior citizens are exempt). Registration will take place the first three class meetings. For more information on these and any other classes of interest, call Joe Jones, Director of Continuing Education at James Sprunt Institute.

Jaycee Week

Church Worship and Prayer Breakfast

The Kenansville Jaycees began Jaycee Week on Sunday, January 17, with a Jaycee Family Visitation to the Kenansville United Methodist Church for the morning worship service. Several Jaycees, their wives and families attended the service, which was conducted by the Rev. James Stokes, pastor of the church. The Rev. Stokes stated that the Jaycees were to be commended for their service in the community.

A prayer breakfast was held on Tuesday, January 19, at The Country Girl Restaurant with approximately twenty people attending. Dennis Kirby, Chaplain of the Kenansville Jaycees, introduced Rev. Lauren Sharpe as the guest speaker. Rev. Sharpe gave a very inspirational talk that was thoroughly enjoyed by all who attended. This was followed by a delicious breakfast.

Herring Selected

Sgt. James D. Herring, son of Mrs. Shirley W. Herring of Kenansville, has been selected to speak to the Undersecretary of the Navy regarding the M.A.U. problems of personnel. The talks will take place on the U.S.S. Guadalcanal somewhere in the Mediterranean off the coast of Crete this week. James is a 1975 graduate of James Kenan High School, and has been in the U.S. Marine Corps since that time. He was selected as an outstanding representative in the Corps.

The first police force in America was formed in New Amsterdam in 1658.

The Rio cost more than a grand.

In 1853, money took America to the banks Of the Rio Grande. In that year, the Gadsden Purchase further extended United States territory down the west bank of the mighty Rio Grande. And established what today is the border between Mexico and the states of Arizona and New Mexico. The cost: \$10,000,000. And Americans put up the

money. By purchasing government securities. You could bank on America back then. And you still can. By buying U.S. Savings Bonds at work. Through the Payroll Savings Plan. That way, a little is set aside from each paycheck to buy Bonds. Automatically. So help keep your future, and America's, flowing smoothly. Buy U.S. Savings Bonds. They're a grand way to save.

Take stock in America.

Series E Bonds pay 9% interest when held to maturity of 5 years (10% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

N.C. Poultry Farm Income Likely To Top 600 Million Dollars In 1977

In 1977, for the first time in history, farm income from poultry in North Carolina - broilers, turkeys, eggs and miscellaneous poultry - will likely exceed \$600,000,000 according to Ed Woodhouse, Executive Director of the North Carolina Poultry Federation. Woodhouse said the preliminary figure of farm income from poultry of \$509,233,920 came from Dr. W.C. Mills, Jr., specialist in charge of the Poultry Extension Service at NCSU. Mills' estimates were gathered from

poultry producing counties throughout North Carolina. Of the three leading poultry commodities, broilers continue to be the economic leader with an estimated \$329,985,810 being generated on the farm in 1977. The commercial egg industry will likely generate \$160,485,110 in 1977, according to Mills. Income from turkeys is estimated to be near \$103,000,000. Miscellaneous poultry should produce farm income amounting to \$75,000,000.

Mills noted that the North Carolina poultry industry is the state's largest food industry and is exceeded only by tobacco with regard to farm income by commodities. The Tar Heel State is also one of the leading poultry producing states in the nation.

The Kenansville Intercom

with Woody Johnson, Town Administrator

Congratulations to the winners of the community service awards that were presented by the Kenansville Jaycees last week. The contributions of the five recipients, Mayor Douglas Judge, Mrs. Louise Boney, Rev. Lauren Sharpe, Willard Mitchell and Connie Matthis - are numerous and will have lasting effects for our community. Thanks to all of you for your services.

This past Thursday, January 19, Mayor Judge, Commissioners Earl Hatcher and William Fennell and I attended a meeting of municipal officials. At this meeting we heard reports from State Representative Tommy Baker and Lewis Renn, Administrative Assistant to Congressman Charles Whitley. Their reports for the coming year were enlightening and their dedication to always be of assistance to us is appreciated. We can not exist in isolation. What happens in other communities, in the state, and throughout the nation, affects us all. Meetings such as the one this past week always are beneficial and educational. Thanks for the opportunity that you give for us to represent and serve you.

You have all heard the saying: "Stand up and be counted." Now you are needed to "Lie Down and Be Counted!" In America, 3% of the people give 100% of all the blood that is freely donated. This means that if only 1% more people - this could include you - became donors, it would add over 30% more blood to America's voluntary bloodstream. Think of it! But forget arithmetic. Just concentrate on one word. The word is EASY. Giving blood is easy. You hardly feel it. (In fact, some people say they feel better physically after a blood donation.) And, of course, everybody feels better emotionally, because it is a great feeling knowing that your one easy blood donation has helped up to 5 other people to live. So how about it? Are you going to Lie Down and Be Counted? President Jimmy Carter has signed up 51 times. Can you give at least once? The American Red Cross Bloodmobile will be in Duplin County on Tuesday, January 31, at the National Guard Armory in Wallace and on Wednesday, February 1 at the Fire Station in Warsaw. The

time for both days is from 10 a.m. until 4 p.m. Please take time to journey to a neighboring town. This is a County-wide program. The success or failure of each visit affects the entire county. Please LIE DOWN AND BE COUNTED.

The Bloodmobile program is not the only County-wide program. We must work together as one unit of 41,000 plus citizens. In unity there is strength. A County doctor recruitment program composed of citizens from all sections of Duplin County has been formed. A County-wide water system is being studied by the County Commissioners. A new County Recreation Director is being hired.

Each town, or community, can have its own identity. However, to overcome large obstacles, we must unite and work together. By living in the County Seat, and in the center of the County, I am sure we often see things a little differently than someone who lives on the edge of the County and is 20 miles from the County offices. However, as a man from Warsaw said to me two weeks ago, we must face up to reality. If we expect to recruit new doctors, then we can expect them to want to locate in a clinic near the hospital. Likewise, we can expect the majority of all new industries to want to locate along the railroad track which parallels Highway 117, with the

With these thoughts, and numerous others in mind, the Economic Development Workshop to be sponsored by the Kenansville Area Chamber of Commerce and the Kenansville Jaycees, accepted James Sprunt Institute as a co-sponsor. Also, now we are including the services of the Duplin Development Commission in the planning of this workshop. Therefore, this workshop is now to be known as the Duplin County Economic Development Workshop. Also, because of some changes in format, the dates have been changed and the workshop will be held in late February or early March.

Do not forget the annual meeting of the Kenansville Area Chamber of Commerce to be held this Friday, January 27th at 7:30 p.m. at Brown's Restaurant, if you would like to attend, call Ray Johnson at 296-1571, or Violet Phillips at 296-0215. Until next week, remember Kenansville is Proud of its Past and has Pride in its Future.
