ATTENTION: All relatives and friends of James Kenan High School Seniors

Commencement exercises for the Class of 1978 will be held Friday evening, June 2, at 8 o'clock at Kenan Memorial Auditorium.

We regret we do not have the space to seat everyone who would like to attend. Therefore, only announcements about graduation are being mailed by all seniors.

No invitations for commencement exercises are being issued to the general public.

Instead, each senior has been allotted eight seating cards to be distributed among his or her relatives and friends. Admission will be by card only, and cards and names will be checked at the door.

James Kenan appreciates your understanding and cooperation in this matter.

Stay with the reliables.

Bargain basement sucker control is no bargain.

When you're raising a crop that's worth up to \$3600 an acre, you don't take chances on anything as basic as sucker control.

That's why most tobacco growers stay with the industry's two leading systemics. MH-30[®] or Royal MH-30[®] from Uniroyal Chemical.

Good tobacco growers know that you never sacrifice dependability for price. So go for all the reliability you can buy. Insist on original MH-30 or fast acting Royal MH-30 with Sorbatran[®]. It's just good business. Uniroyal Chemical, Division of Uniroyal, Inc., Naugatuck, CT 06770.
