South Lenoir

By Joy Rouse

Three South Lenoir students have been nominated this year to attend the Governor's School of North Carolina. These are Derek Brown and Cleveland Parker in the academic area and Celia Turner in performing arts.

The Governor's Schools are located on the Salem College and the St. Andrews Presbyterian College campuses. The program is for gifted and talented junior and senior high school students. The advisory body of the school consists of a board of governors appointed by the state board of education. There are 130 faculty and staff members to meet the needs of the 800 students attending the school.

All students selected are required to meet N.C.'s academic criteria established for the gifted and talented program. Students selected in performing arts must send in an application to a panel of judges who in turn choose some of them to audition. Therefore those students who are nominated in the performing arts category must, in addition to meeting academic regulations, be

prepared for a personal performance.

The selection process for the students to attend Governor's School goes through several stages before being finalized. Gifted and talented students are first nominated by their principal, teachers and counselors. Next, all the high schools within a district send applications for each nominee to the local superintendent. The superintendent then selects two students from those entered as his first choices. The applications of each student not chosen by the local superintendent are sent to the state-wide selection committee in Winston-Salem to be screened and selected. The quota of students for the school is completed in this manner.

Three non-credit work areas are offered to the students. One of the areas is the academic area. It is composed of English, foreign languages, math, sciences and performing arts. There is also an area in conceptual development and philosophy, which enables the students to move away from their major area of study and comprehend the parts as a whole. In addition, there is the study of self and society.

The students attending the Governor's School do not have to pay any tuition or boarding fees. The General Assembly funds the Governor's School so students only have to provide transportation to the school and spending money.

Everybody's studying or pretending to, at least. Many seniors donated blood on Thursday. Seniors started planning the prom Thursday and the Student Government Association is trying to count the votes for class representatives.

The basketball teams won all three games Tuesday night against Clinton and Betty McIver won the game ball. We play East Duplin next Friday night at home. Come and cheer the Tigers on to another set of victories.

on how to help safety in the home or on the farm, so please see a FFA member and tell them.

The Queen of Hearts contest has started once again. Each year the club sweethearts raise money for the Heart Fund. They do this by competing for the Queen of Hearts title. The girl who raises the most money wins. Help support the sweethearts, for the money is for a good cause.

That's all for now. Come out and support the Panthers Basketball teams in all of their games.

PRESIDENTIAL CLASSROOM

East Duplin High School will participate in a unique government study program in Washington, D.C. Lynn Elliott Blankford will represent her community and state as a member of the Presidential Classroom National Student Body Jan. 26 to Feb. 2.

The goal of Presidential Classroom is to foster the leadership potential and civic responsibility among young Americans by exposing them to the dynamics of the U.S. democratic system at its nucleus - Washington, D.C.

FEMINIQUE CLUB

The Feminiques of Kenansville met at the home of Sandra Middleton Jan. 3th. The meeting was opened by Vice-President Catherine Brinson, after which scripture was read by Sandra Middleton. Minutes of the previous meeting were read by Patricia Brinson, and the treasurer's report was given by Sandra Middleton.

The main concern of the members was the annual Sweetheart Ball which will be held Feb. 16. Further information will be posted at a later date.

After roll call and collection of dues, the hostess served bologna sandwiches, cookies, sour cream chips, candy, peanuts and punch.

GUARDIAN CARE

Another family night covered dish supper was held Tuesday. Several family members joined us and there was lots of food and good fellowship.

Plans are underway for our Rock 'n' Roll Jamboree to be held Thursday, Feb. 14. Residents will be rocking in wheelchairs to raise money for the Heart Association. Please give to this cause by contacting Julie Barber or Phyllis Hardy at Guardian Care or when one of the young who will be soliciting for this cause comes to call. More details will be given at a later date.

The one thing everyone at East Duplin hates to hear is coming up: EXAMS! The students hate them because it means at least a month of staying home, cramming in every little bit of knowledge they can. For the teachers, the thought of getting an exam made out plus the change in the schedule. Anyway, when Jan. 25 comes and goes, the partying begins!

Everyone has about got back to the swing of things again. The FFA had a meeting recently and have begun work on their program for National FFA Week and on the Safety Award. On the Safety Award, they would like to ask if anyone has ideas

19th Hole PRO I.B. DUFFER

Pro Rick Atkins reminds area golfers of the 10th annual Pat Mullins Golf Tournament scheduled at Rockfish County Club in Wallace. The 18-hole event will be a "captain's choice" four-man format with players rated. The tourney will get underway at 10 a.m. with the shotgun this coming Saturday, January 26. Atkins reports a banquet will be held Friday at 7 p.m. with Mullins as guest speaker.

The 19th Hole would like to express sympathy to Pro Bill Howe over at Duplin in the loss of his father recently. Our condolence goes to you and your family at this time, Bill.

Pro Bernie Mayer reports the board over at Ramblewood is now planning a golf calendar and will release it soon. "We would like area golfers to come and play. Our greens are excellent at this time," Mayer said. The Ramblewood Ladies Golf Association will meet this month to plan the spring activities.

Pro Mac McKeithan up at Southern Wayne Country Club of Mount Olive reports Pete Gurley has replaced Bryce Ficken as president of the club for 1980. Three new members were selected to serve on the Southern Wayne board, including Frank Barfield, a former Duplin star, Charlie Herring and Drew Moore.

Lakewood Pro Doug Smith announces the scheduled two-day superball at his club has been postponed due to conflict in other area play.

Duplin Pro Bill Howe announces a Superball (four-man or lady format) Sunday, Jan. 27. The tourney will get underway with the shotgun at 1:15 p.m. All members and invited guests are urged to participate in this golf outing.

Pro Ed Smoot over at Coharie of Clinton reports course in real good condition. CCC has installed water on the back nine this past year and has constructed new tennis courts and are remodeling the club house. Pro Smoot urges all golfers of the area to come over and play with him.

It has been reported that the team of Pro Doug Smith

of Lakewood, and members Henry Carlton and Steve Sheffield, along with Gene Horres, won the annual Kiawah Golf Pro-Am in Charleston, S.C. recently with rounds of 60-60-120 over 58 other teams. . . . Not bad at all. Pro Smith also won fourth place in the pro division with rounds of 74-71-145.

Remember, golf is just a game.

Why a 9pm laundry load is better than 9am.

It won't get your laundry any cleaner. Neither will a 3pm load. Now, either time could be inconvenient for you, but someday, it may make a difference in your energy bill.

In fact, everything you can do to cut down on the energy you use between 4-9pm and 6am-1pm will help.

Because that's our Winter "Peak Load" period, the time when the demand for energy is the greatest. And we must have enough energy to meet that demand, no matter how high it gets.

So try to hold your heating down as much as possible. Try to take showers, wash clothes and wash dishes from 1pm to 4pm or after 9pm. In short, conserve energy every way you can.

Because the more you get out of your energy dollar, the more we can get out of ours. And the less our bills will have to go up later on.
