## SOMETHING YOU, OUR CUSTOMERS, SHOULD KNOW ABOUT THE GRADES OF BEEF

There are 6 grades of beef:

- |                |                  |
|----------------|------------------|
| 1. PRIME       | 4. STANDARD      |
| 2. USDA CHOICE | 5. COMMERCIAL    |
| 3. USDA GOOD   | 6. CANNER-CUTTER |

IN ORDER TO BRING YOU, OUR CUSTOMERS, THE FINEST BEEF, WE SELL ONLY USDA CHOICE BEEF.

In our trading areas, our competitors are selling a USDA GOOD grade of beef or a beef which is of a lower quality than at Jackson's. At Jackson's IGA quality, freshness and service are our standards.

We not only have USDA CHOICE beef, but we also carry Holly Farms' Grade "A" fryers and the finest Lundy pork.

"To assure you, our customers, of our standards, I personally guarantee our meat products to be the freshest and of the best quality in our trading areas."
