## School Panel Approves Social Studies Program

night approved a social studies program to provide seniors with first-hand acquaintance with county government, judicial and law enforcement offices and

The program will permit 125 students of the four high schools to visit the various ffices and talk with officials during a three-day period

It is an outgrowth in student interest in social studies beyond world and U.S. a.m. to I p.m. Saturday.

The Duplin County Board history. The students will of Education last Tuesday take a course in law and take a course in law and justice during the fall semester and in Duplin and North Carolina history in the spring semester.

The only extra charge for the course will be the cost of meals during the visitation period.

The exact week for the visitation has not been set. However, the program is scheduled to start at 1 p.m. on Thursday of the week to be selected; from 8:30 a.m. to 10:15 p.m. Friday and 8:30

Supt. L.S. Guy told the board 8,280 students attended the first day of school, 100 fewer than on the first day last year. He said the state estimated Duplin County would lose 200 pupils. Its enrollment has been dropping at about that rate for several years.

"Perhaps this means we have leveled off, but it will be several days until we can be sure," he added.

The board promoted Gary Sanderson to associate superintendent. His salary

\$27,108 to \$28,332 per year, all paid from the state allocation. He was assistant in charge of high schools. He now is in charge of instructional services.

Sanderson came from Wayne County, where he had been a school principal.

The board renewed the contract of Dr. Alice Scott, head of vocational education and pupil personnel services at a salary of \$28,308. The state pays about 70 percent and the county 30 percent of her salary. She holds assis-

WHITMAN HOUSE BURNS - It was easier to burn it down than to tear it down. Herman Whitman's house was damaged by fire caused by lightning earlier. After

salvaging what was salvageable, he burned the rest. The home was located near C.M. Outlaw's Store on Wards Bridge Road east of Warsaw.

# Registrars And Judges Of Elections Appointed

Lenoir CC President Speaks

The Duplin County Board of Elections completed appointments of registrars and judges of elections at its eeting Sept. 1. Certificates f appointment are being readied for distribution at an early date. It is important to note that all of these appointees are available to register new residents or unregistered persons in the precinct appointments, according to Chude L. Hepler, chairman of the board. "Since this is a voluntary service, it is only itting that they be called or

contacted for an appointment to register," said Hepler. The following are those

## **Attendance Policy** For Duplin **County Schools**

The Duplin County Board of Education approved a new attendance policy on August 4. The policy is designed to improve school attendance and student performance, according to Dr. Alice S. Scott, assistant superinten-

California Achievement Test (CAT) date clearly shows a strong correlation between good attendance and student performance or achievement. The CAT results for 1980-81 ninth grade students in Dup'in County illustrate the correlation of attendance and performance. Ninth grade students who were absent 0-7 days scored on the total battery a grade equivalent of 10.0; students absent 8-14 days scored 9.0 one grade equivalent lower; students absent 15-21 days scored 7.7; and students absent more than 21 days scored 6.3. The average at-tendance for all schools in

1980-81 was 94.03%. The compulsory attendance law requires students through age 16 to attend school. The Duplin County BOE has adopted additional policies for grades 9-12. The

policy states that excessive absences (more than 15 per semester) will result in failure of the course(s) involved for that semester. This is a total of 15 excused and/or unexcused absences per semester. Students are not allowed absences. Students are to be in attendance unless there is a valid excuse. Appropriate verifica-tion for the absence is to be provided to the school official on the first day back to school.

Tardiness to school and/or classes and skipping school or classes is recognized by the Duplin BOE as significant problems in grades 9-12. It is therefore the policy of the BOE that each school be required to use either in-school suspension or after school detention hall to invoke an immediate penalty. The BOE is serving to

provide the best education ssible for the students of the county. As a parent, do your part to get your children to school, to school on time. and to develop a positive attitude toward school, says

Dorothy Wightman Library staff will host the regular quarterly meeting of the Librarians' Organization of the Southeast (LOOSE) in Kenansville on Friday, Sept. 11. Approximately 60 librarians and support staff from 16 public libraries in southeastern North Carolina are expected to attend. Librarian Roberta Williams and her

library facility, the group will adjourn to the Fellowship Hail of Kenansville United Methodist Church for a pro-gram featuring a panel dis-
