

SOLO EXHIBITION - David Curtis Smith, visiting artist at James Sprunt Technical College, will present an exhibition of his paintings June 1-21 at the college Tuesday, June 1, with a lecture by Smith and a reception. The public is invited to attend the showing and reception in the Hoffer Building. Pictured above, Smith adds some finishing touches to one of the works to be displayed in the exhibition.

B.F. GRADY STUDENTS AND MORGAN HORSES - B.F. Grady students were excitedly entertained Wednesday afternoon by Morgan horses from the Great Branch Farm from nearby Albertson. John and Cathy Moore presented the Morgan horses in the ballfield to the students and staff of Grady School. Dr. Moore had previously provided the school with a picture slide program on Morgans. The program was climaxed as school principal, Paul Britt, allowed the students an outside venture with the real thing...live Morgan horses. Pictured here is Debbie Smith riding Gabriel.

HORSE AND BUGGY AT B.F. GRADY SCHOOL - The Morgan horses are not only fine riding animals, but they also readily lend themselves to the harness of a buggy or even a plow. At Wednesday's outing at B.F. Grady School, Randy Allen demonstrates the alertness and beauty of a Morgan and a buggy. The students were allowed to pet the horses after the demonstrations. The horse in the picture is Hoodigan.
