

# Wallace-Rose Hill Plays Hobbton And South Lenoir At Mid-Way In In Big ECC Battle

By Joe Costin

The East Central Conference football season for some two weeks old and other over a week has not fully shown any early pains. Does indicate that North Duplin is very strong in their lack of arch-rival Lakewood, 41-6 in their own backyard. Running back Benny Artis scored four touchdowns and ran for 222 yards in leading the Rebels in an impressive opener.

South Lenoir's high-stepping Wade Smith set the pace for Coach Jimmy Smith's eleven with three touchdowns and another through the air as the Blue Devils shocked their cousins North Lenoir from up North, 36-22.

James Kenan's "Quinn" led the Tigers to a 27-12 licking over the Patriots of Pender in their opening game in Burgaw.

Union Spartans dropped their second straight as Tar Heel outscored them 26-22 in another non-conference game.

Hobbton opened the 1982 season last week with a 34-0 shutout over Wake Forest but then dropped a real tough one to South Roberson 16-6. Hobbton's David Crumpler saw little action and had two touchdowns called back.

Another team that you'd better keep your eye on is the Bulldogs of Wallace-Rose Hill High. New head coach Jack Holley's Dogs rattled Wildcats of Richlands 26-6 in their opener two weeks ago. Wallace-Rose Hill will get a real test early in the ECC war as they travel to Hobbton where it will be Satchell vs. Crumpler for a piece of first place in the league. Richlands bounced back last week to take the edge from East Duplin 13-6 in the only other non-conference game.

This week all ECC teams battle each other, excepting North Duplin takes on non-conference foe Richlands. The biggest game of the early season will no doubt be between Hobbton and S. Lenoir going up against Midway.

I'm going to look real hard at the two teams from Samp-

## Dove Baiting: What Is And What Isn't

One of the primary problems in dove hunting in North Carolina is baiting and the apparent misunderstanding of what constitutes a baited area. The Code of Federal Regulations which carries the legal language for dove baiting states that no person shall take migratory birds "by the aid of baiting, or on or over any baited area." The regulations further define the terms "baiting" and "baited area."

Baiting means the placing, exposing, depositing, distributing or scattering of shelled, shucked or unshucked corn, wheat or other grain, salt or other feed so as to constitute for such birds a lure, attraction or enticement to, on, or over any areas where hunters are attempting to take them.

A baited area means any area where shelled, shucked or unshucked corn, wheat or other grain, salt or other feed whatsoever capable of luring or attracting or enticing such birds is directly or indirectly

placed, exposed, deposited or scattered.

The regulation further states that such an area (a baited area) shall remain a baited area for 10 days following complete removal of all such corn, wheat or other grain, salt or other feed. Thus an area is considered baited for 10 days after the bait has been removed because doves habitually return to the same

area for several days after their food supply no longer exists. Hunting doves over a baited area is illegal throughout the 10-day period.

However, nothing in the above shall prohibit the taking of doves over fields managed for certain agricultural practices.

For more information, contact Jeff Black, Wildlife officer.

### Certain Dove Hunting Regulations

According to Wildlife Officer Jeff Black, no more than a daily bag limit may be in the hunter's possession on the dove field. If birds are placed in the possession of another hunter away from the field, the birds must be tagged with the name and address of the hunter who killed the birds, the hunter's signature, the total number of birds involved, and the date the birds were killed.

The hunter must make a serious effort to retrieve any downed bird. The hunter

must have on his/her person a valid hunting license at all times while hunting.

Any auto-loading or repeating shotgun must be limited to holding only three shells while dove hunting.

Songbirds, hawks, owls, killdeers, nighthawks, chimney swifts, woodpeckers and many other species of birds should not be shot. These birds are protected by state and federal regulations and killing them or shooting at them is strictly prohibited, said Black.

PRO. I. B. DUFFER

Golf in the area is running at a high fever with most courses (Duplin, Coharie, Southern Wayne, Lakewood, Rockfish and Longmeadow) full of golfers with all this beautiful fall-like weather. It is kinda strange all this pretty weather and no golf tournaments, but, as reported, most courses are enjoying more golf than ever for this time of year. I think most of the planners of these super golf tournaments held throughout the year made sure when King Football rolled around, most of the tournament activities better be out of the way. Some clubs are going with a tournament or two for those old die-hards, including Rockfish of Wallace with a Two-Person Best-Ball set for Sept. 25-26, followed by the club championship Oct. 9-10. Pro Doug Smith of Lakewood has his annual Member-Guest

scheduled for Oct. 2-3. Smith announces part of the events includes a trip to the Country Squire (steak and dance) on Saturday night. A mini-handicap tourney on Friday, plus a new car for a Hole-in-One on number 6. "We already have 26 teams signed up to play and each member is urged to get a partner and sign up in the pro shop," Smith said. Longmeadow, along with other area clubs,

### Fall Classic

The Phillips' Farm Celtics will hold their Fall Classic Tourney on Sept. 10, 11 and 12 at the Kenansville Municipal Park.

First, second and third place trophies to winner and runners-up, along with individuals to the first place team, will be awarded.

There will be chicken and barbecue sandwiches served along with hotdogs and drinks.

You are invited to come out and enjoy the tourney.

### Lois Britt Receives Service Award

Mrs. Lois G. Britt, Duplin County extension chairman, has received a 25-year service award from the N.C. Association of Extension 4-H Agents.

The presentation was made Aug. 25 in Apex during the 4-H Agents' Association meeting.

Mrs. Britt served as Duplin home economics extension agent for ten years and as Duplin 4-H agent for 10 years before being named county extension chairman.

is just enjoying the early fall-like days.
