

# James Kenan, North Duplin Unbeaten In ECC Football

By Joe Costin, Sports

James Kenan's reserve halfback Joseph Hand, a 5'9" 145-pound scatback ran for 117 yards and scored a touchdown to lead the undefeated Tigers to a 21-0 shutout over Greene Central on the Coastal Carolina 3A Conference.

James Kenan, with a 3-0 record, travels to East Duplin this week to engage in battle with the Panthers. You might say it will be a battle-of-the-cats.

Quarterback Mitchell Quinn, a magician, directed the JK attack in winning their third straight game. Quinn tossed an 18-yard TD to William Ward. Ward, a very alert player, caught a tipped ball in the endzone for the score. Speedster Frederick scored the other Tiger TD on a two-yard run. Greg

Blanchard, better known of the toe, added three extra points to the Tiger cause.

James Kenan lost the services of starting back Reginald Hodges with an ankle injury early in the game. Chuck Anderson, a real threat in the Tiger backfield, took up Hodges' slack and did a good job.

James Kenan's defense, led by John McCalop, Garner Bracey, Eric Best, Thomas Faison stopped the Rams inside the fifteen four times. With a stinging effect, "Barrow's Black Knights" held the Rams to only 49 yards on the ground. Barrow's Black Knights (refers to Coach John Barrow, defense coach of the JK coaching staff, and the Black Knights as predominant color of the Tiger football uniform) shut down the Rams with James Kenan leading in all stats, first downs 16-8, rushing yardages 220-49, and passing 68-63.

James Kenan's 133-piece marching band was, and is, the best in the schools history. Super performance.

Other East Central action saw North Duplin shut out the Wallace-Rose Hill Bulldogs 21-0 in a big conference clash at Wallace. Lakewood, another ECC team that may need attention, dropped unbeaten Midway 32-13, while Hobpton bounced back and outlasted South Lenoir 28-23. East Duplin picked up their first win of the season as they side-stepped Sampson Union 21-16.

**Results Sept. 17**  
N. Duplin 21, Wallace-RH 0  
James Kenan 21, Greene 0  
Lakewood 32, Midway 13  
Hobpton 28, S. Lenoir 23  
E. Duplin 21, Union 16

**GETTING READY FOR THE DUPLIN AGRIBUSINESS FAIR** - Murphy Farms, Inc. employees watch a video tape of the Murphy Farms operations to be shown at the Duplin County Agribusiness Fair. One of the many

companies to be represented at Duplin's October fair. The fair opens October 4 and lasts through the 9th at the Kenansville Old School, Hwy. 11 North.

**Music Available For Loan**  
The Duplin County Arts Council has uncovered several boxes of musical works ranging from sacred masses to the Whiffenpoof Song! With such variety and so many copies each, the Arts Council would like to make this find available to schools, churches or public groups who would like to borrow from the musical library. Call the Arts Council for information. Kenansville, 296-1922.  
Also available for loan are black folders for holding music during concerts.

**BIKE-A-THON**

The St. Jude Bike-a-thon will be held Saturday, Sept. 25. The route will be as usual starting at the First Citizens Bank at 9 a.m. Fliers may be picked up at the Pink Hill School from Mrs. Pam McLaurin; B.F. Grady School, or Woodington Middle School from Donna Benton.

## SON of A GUN

Warsaw seems to have its ups and downs... off and on... good things and bad things... Recently a new sewing plant opened and closed just as fast as it opened. A new building stands with no workers. The jobs were important and needed in the area. This faint ray of hope and sudden disappointment is not good. In fact, I believe it would have been better if it had never happened.

The cable TV has seemed very close at times. There have been several projected dates on which Warsaw residents would have cable TV in their homes. Not one has stood so far. There is cable in the ground, there is receiving equipment installed at the ground station, and I am told there are five homes with cable service. The rest of the town... Who knows? I personally believe the wishy-washy way it has been handled will keep many from joining. They have had their hopes up only to be disappointed too many times. The latest deadline is today - the 23rd. And I think it is about time the town fathers put their feet down and say, get the show on the cable or on the road.

Things are looking good for Warsaw in the National Spinning plant improvement project. Warsaw has annexed the National Spinning property, some over 60 acres, the buildings and equipment, thus making a good-sized tax base - Somewhere between \$60,000 and \$100,000 in taxes, I would guess. Also, Warsaw has received a \$1 million grant which it will loan to National Spinning for interest at 60% of the prime rate. Warsaw will receive the taxes, the loan, and the interest on the loan over the next 10 years. If the town fathers handle it right, it could turn Warsaw into one of the most outstanding small towns in North Carolina. It is my hope it is not finagled around and wasted. That it is not used to keep the tax rate down, but used to help Warsaw grow. And I don't mean Cadillacs for the police cars or Peterbilt trucks for the town garage. Grants have already caused those two departments to over-grow Warsaw. We are burdened with tax dollars to support those liabilities now. So, hopefully, this grant is not to let them continue to grow. But like some of the other things, it may go the wrong way, too.

The county commissioners appointed Nathan Whaley to take over David Underhill's job at the landfill and immediately took his home-bound truck. David drove a county-owned truck home at night. Nathan can't. This was the truck the commissioners used in reasoning to return other vehicles they had cost-consciously taken, but politically returned. However, as they spoke Monday about stopping this truck, they did not speak of taking back those they'd returned because of this one. The excuse is gone. What is good for one is good for all. Any more parkings?????

A mother was telling me about her daughter getting her first piece of mail. The youngster was handed the postcard which was a notice of a library book past due. The card, of course, was addressed to the youngster. Mom said, "How about

that. You are getting mail already. addressed to you and everything." The little girl was excitedly handing the card, looking at the front and back, and finally she looked up at Mom and said, "Well, how do you get into this thing." Son-of-a-Gun...

**GOSPEL SING**

The Spiritual Singers from Mount Olive will be featured at a Gospel Sing at Brock's Chapel Holiness Church of Mount Olive on Sunday, Sept. 26 at 7 p.m. The church is located about three miles from Summerlin's Crossroads. There will be no admission charge, but a free will offering will be taken.

**MOREHEAD SCHOLARSHIP NOMINEES SELECTED AT JAMES KENAN HIGH SCHOOL** - Two seniors from James Kenan have been nominated for the Morehead Scholarship. They will compete at the county level against students from the other high schools. Two students from all county nominees will be selected to compete in district competition. The Morehead award is worth approximately \$6,000 per year for a student to attend UNC-CH, \$3800 for the academic year and \$2,200 for each summer to cover the cost of participating in the Foundation's summer enrichment program. This year's nominees from James Kenan are Marcia Boone, left, and Andy Futreal, right. Marcia is the daughter of Mr. and Mrs. James E. Boone of Warsaw. Being active in all phases of student life at James Kenan, she is an honor student, cheerleader and served as a marshal at graduation. She is a

member of the National Honor Society, chorus, F.H.A. and Health Occupations Students of America, Library and Pet clubs. Marcia represented James Kenan at the N.C. Governor's School in academics. She is also very active in church work and 4-H. Music is a vital part of Marcia's life as she plays the piano, and dances in ballet, tap and jazz. Andy is the son of Mr. and Mrs. Kenneth R. Futreal of Warsaw. An honor student, Andy served as chief marshal at the 1982 graduation. He is a member of the National Honor Society and the James Kenan Quiz Bowl team. He has won numerous academic awards, including biology, CP world history, honors English III, chemistry, advance biology and CP American history. He also won the Woodman of the World history award and Voice of Democracy contest. In his spare time Andy draws and plays electric and acoustic guitars.

## Shining Lights In Deer Areas

**.0115 Shining Lights in Deer Areas**

It having been found upon sufficient evidence that certain areas frequented by deer are subject to substantial unlawful night deer hunting, or that residents in such areas have been greatly inconvenienced by persons shining lights on deer, or both, the shinging of lights on deer in such areas is limited by Paragraph B of this Rule, subject to the exceptions contained in Paragraph D of this Rule.

No person shall, between the hours of 11 p.m. and one-half hour before sunrise, intentionally shine a light upon a deer or intentionally sweep a light in search of deer in the indicated portions

of the following counties: Entire county: Beaufort, Duplin, Greene, Jones, Lenoir, Pamlico, Pender, Pitt, Hyde, Washington, Martin, Edgecomb, Wayne, Sampson. This list does not include all counties having such a law; contact your local wildlife officer, Jeff Black, to ascertain additional counties or portions of counties not listed.

Paragraph B of this rule shall not be construed to prevent the lawful hunting of racoon or opossum during the open season with artificial lights designed or commonly used in taking racoon and opossum at night; the necessary shining of lights by landholders on their own lands; the shining of lights necessary to normal travel by motor vehicles on roads or highways, according to Black.

## Genealogical Research N. C. Prospective

Due to enormous interest in genealogy, the continuing education department of James Sprunt Technical College will sponsor a class in genealogical research through a North Carolina historical prospective. This 11-week course has been designed to assist students in becoming independent researchers, documentors and recorders of genealogical information. Classmembers will also be offered two field trips which will be highlighted with a Staurdav visit to the N.C. State Archives and Land Grant office.

**DOBSON CHAPEL HOMECOMING**

Dobson Chapel will be holding their homecoming services September 26.
