Concern Over Parking

By Lynda W. Stroud

The Pink Hill town board met in regular session last Tuesday night.

Beatrice Murphy and Katherine Tadlock from B and K Lounge and Cecil Pittman from Pink Hill Recreation Center were present to express their views and concern on customer parking at each of their business establishments. Mrs. Tadlock complained, "I think it's unfair. There is only enough room to park about 10 cars." She uttered a plea for parking to be reinstated on both sides of the street in front of the B and K.

Cecil Pittman also voiced his concern over the problem by adding, "Due to the parking problem, my business has been cut in half."

No action was taken on the problem until police Com. Robert Elmore returns to town. Elmore was not present at the meeting.

Warren Kennedy, fire chief, gave the monthly report. He pleaded for some assistance from the town for electric roll up doors. The five doors would cost approximately \$275 each. The decision for purchase was tabled

until the October meeting.

Lester Turner, town policeman, asked the board for two batteries for his walkie talkies. His request was granted.

It was reported that the following tickets have been issued during the last month: DUI - 11; No oper. lic - 6; Careless and reckless driv. - 2; Drivers Lic. Revoked - 2; Parking Tickets - 10; and Speeding - 2.

The water and sewer report was given with a request for an air filter at the cost of \$81. for each of two filters. The board favored the suggestion.

The board was also informed of some painting that needs doing at the sewer plant. Manley Hatch, commissioner, suggested the board get an estimate before making any decision.

Liberty Festival Volunteers Needed

The 1982 Pink Hill Liberty Festival has been termed "one of the most successful festivals" since the very beginning in 1976.

Plans are already underway for a bigger and better 1983 festival. In order for the upcoming event to exceed all past Liberty Festivals, many fresh, new ideas must be submitted. Many of you are individuals who could contribute your thoughts, interest, and a little of your

time to help create a special festival this July 4th.

The Liberty Festival generates several thousand dollars in income to Pink Hill and the surrounding area. Many of the local churches, civic organizations, the local fire department and rescue and other individuals realize hundreds of dollars in proceeds netted from the sale of food and other items. It is you, as individuals, that we need support and volunteer work from if we are to continue having Liberty Festivals.

We sincerely urge you to attend the next meeting of the Liberty Festival scheduled for Monday, Sept. 27 at 7 p.m. at the Pink Hill Town Hall, and keep the Liberty Festival alive, suggests Robert L. Hood, president of the board of directors.

The newly organized chapter has been very active in recent months. This past August, several members joined men and women from across the state in an "Equality Walk-a-thon" in which thousands of dollars were raised to assist in the campaigns of candidates who are genuinely concerned and supportive of issues that directly effect women.

In addition, in the spring members strived to inform the public on the Equal Rights Amendment and why it was needed. Also, they assisted in organizing county support for the amendment.
