Kenansville Jaycees Sponsor Pancake Supper For Dan Newkirk

The Kenansville Jaycees will be sponsoring a pancake supper for Dan Newkirk on December 2 at the Kenansville Elementary School. Dan is one of the local clubmembers. He has a rare disease called pulmonary hypertension. His is one of three cases seen by a Houston hospital in the last ten years.

Dan has to have oxygen about 8-10 hours per day.

The Jaycees, with the cooperation of Quinn Com-

pany, Quaker Oats, Jackson's IGA and the Kenansville Elementary School will give all profits to Dan for his medical expenses.

Tickets will be \$2.50 at the door and \$2 in advance from any Kenansville Jaycee or at the Kenansville Drug Store.

You are asked to support this worthy cause on Dec. 2nd from 5:30 - 7:30 p.m. at Kenansville Elementary School.

Interested In Writing A Play?

The Drama Club at James Sprunt Technical College is having a writing contest. In February of next year, the Club plans to do a children's play which will be presented for students in grades 1-5. The script will be chosen from the aforementioned contest, which is open to any and all residents of Duplin County.

The play could be completely original or taken from a classic children's story. It should be fairly short with a running time of no more than 45 minutes. It should also have a small cast and need minimal use of costumes, props, set, etc.

If interested, contact John Goodnow, the visiting artist at JSTC for further information. Call soon since the cut-off date for accepting scripts will be Jan. 7.

Credit Card Safety

Credit cards are handy sources of instant money but they can be a real headache if lost or stolen. If that happens you may be liable for up to \$50 on each card if someone uses it illegally.

You can protect yourself against someone using your credit card. Carry only the ones you use regularly and make a list of all your credit card account numbers. Include the addresses and telephone numbers to contact if your cards are lost or stolen. Then be sure to keep the list some place other than your billfold.

To report a stolen or lost credit card, call the creditor immediately; then follow-up with written notification. This quick action may keep you from paying for items that someone else bought.

The Thalian Association, organized in 1788 in Wilmington, N.C., is the oldest Little Theatre group in the U.S.

Women and Pension Plans
 Generally, women do not receive as much in pension benefits as men. The reasons? Women in the labor force are more likely to work part-time, are more likely to

be working for a small company, and are more likely to be in low-paying jobs.

Women in employer-paid pension plans usually end up getting about half as much as men because of shorter service and lower earnings. And inflation can eat up those benefits in short order.

Women counting on a spouse's pension plan may have some surprises, too. Women may be left without any pension income if the husband dies before reaching retirement age or if he failed to choose the survivor annuity option at retirement. Pension plans usually don't cover divorced wives either.
