

THE PINK HILL REVIEW

"Serving Pink Hill, Deep Run, Albortson, Beulaville, And Their Surrounding Areas"

VOL. 4 NO. 49 KENANSVILLE, NC 28349 DECEMBER 9, 1982

A Doctor For Pink Hill

A doctor for Pink Hill! If all goes well and the citizens of the Pink Hill area achieve their goal by next summer, there will be brand new medical facility and a full-time physician serving the area.

Under the auspices of the Duplin Medical Association, a doctor has been recruited and is designated to be in Pink Hill by July of 1983. Dr. Ed Little will finish his residency in Pennsylvania at

that time and has indicated that he intends to move to Pink Hill and begin the practice of medicine.

A grant from the state can be secured by meeting certain requirements, and this is where all the citizens of the area become involved. In order to build and equip a \$155,000 center (adequate for two physicians) the community must become involved and raise \$30,000. Not only must the money be raised, but in order to show community approval and involvement, it must come from a minimum of 450 families.

A drive is being made to take advantage of this once-in-a-lifetime opportunity before the end of the year. Persons from each neighborhood are being recruited to make contacts and secure contributions. Volunteers may phone Carol Sykes at the Pink Hill Town Hall at 568-3181.

Your tax deductible contributions can be made out to Pink Hill Medical Center, Inc. and sent to P.O. Box 98, Pink Hill or delivered to the Pink Hill Town Hall or Turner and Turner Insurance Agency. Your contribution will not be an investment! The Pink Hill medical facility will be non-

profit. There will be no return to the investor or will any money be profited by anyone.

The goal is to successfully complete this fund drive before the end of 1982.

The Pink Hill medical facility is chaired by T.J. Turner, with Carol Sykes as secretary. The fund-raising

committee co-chairmen are W.E. Brewer and Wilbur Tyndall. The medical action committee is chaired by Luther Ledford, with those listed as members, Charles Watson, L.C. Turner, John Lyles, Christine Williams, C.C. Turner, Kenneth Jones and R.L. Hood.

Pink Hill Rurital Club Holds Ladies Night Installs New Officers

The Pink Hill Rurital Club held its 24th annual Ladies Night on Thursday, Dec. 2 at the Wagon Wheel in Beulaville. Thirty-six members and guests attended.

President Donnie Taylor reviewed the club's activities for 1982 and introduced Ethro Hill for a special presentation to the club. Hill attended the district convention and received four first place and one second place community service awards for the club, as well as the overall district community service award for 1982. Hill presented these awards to a surprised group of officers, members and their wives.

John Worthington presented the 1982 Rurital of the Year Award to James "Butch" Edward Howard, an outstanding member.

Worthington made comments about Howard's work and participation in the many activities carried out by the club.

Luther Ledford discussed the community project of securing a doctor for Pink Hill and asked the club to support the project. The club voted unanimously to support and to do whatever it could to help.

The 1983 officers were installed by Worthington. They are Jerry Stroud, president; Luther Ledford, vice president; Billy Sykes, secretary; Ethro Hill, treasurer; Butch Howard, Manly Hatch, Dennis Howard and Donnie Taylor, directors.

The Pink Hill Rurital Club will celebrate its 25th anniversary on the first Thursday in March, 1983. The club was organized by the Moss Hill Club in March, 1958.
