Musical Revue Scheduled

South Lenoir High School will present its musical revue on March 27-29. Performances are set for 7:30 p.m. and a matinee performance has been scheduled for 1:30 p.m. on March 29, all three performances at South Lenoir.

A special performance will be given at North Lenoir on April 5.

A select group of band members have been working hard to provide music. The program is called "Through the Years" and will be a trip through time in music and dance, covering the periods such as the 20s, 40s, 50s and the present.

St. Jude Bike -A-Thon

Riders for the March 31st St. Jude Children's Research Hospital Wheels for Life Bike-a-thon are now asking Pink Hill citizens to back their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world. We'll be showing that we care about children by helping this cause. Please support your rider with a generous pledge," Grace Thigpen, chairman of the Bike-a-thon, said.

Pink Hill Town Board Meeting

Action was light at the March town Board meeting in Pink Hill.

The town clerk, Carol Sykes, reported that 92 percent of the town taxes has been collected.

Also on the agenda was the announcement that the parking lanes within the town will be painted in the near future.

Police Chief Lester Turner reported some destruction to property behind Pink Hill Supply Co. Apparently a "mud sling" has been formed. The chief stated he had caught two involved with the incident.

Lenoir Derby Set For Youth From Eight Counties

Boys and girls from eight eastern North Carolina counties will gather in Kinston Saturday, July 7 to compete in the Kinston Area Soap Box Derby. Youngsters from Lenoir, Jones, Wayne, Craven, Green, Pitt, Onslow and Duplin counties who wish to register should do so by March 31, according to race organizers.

Donald Gaskins, director of the Kinston Derby Racing Association, is excited about the event, which for the last four years has been sponsored by a local civic organization. "During the past four years, 122 boys and girls have raced in the local derby and as in the past, winners will be eligible to compete in the All American Soap Box Derby in Akron, Ohio."

According to Gaskins, each racer, aided by a parent or adult, builds his or her own car using a master kit that includes steering, axles and braking mechanisms. The shell or body of the racer is up to the individual. Fiber-

glass shells are available, but many racers prefer to build their own from wood.

The race will be a double elimination event down Queen Street hill, the wide downhill run that leads into Kinston's central business district.

Races are divided into junior and senior divisions, according to age. Racers 9 and 10 will race in the junior division. Ages 13-15 will be in the senior division. Ages 11-12 may select either division competition.

In order for a division winner to be eligible to compete in Akron, there must be a minimum of 10 participants in the division.

Boys and girls who wish to participate or require information, should call Phillip Kinney at 527-8516, Nancy Tyndall at 522-5238, Donald Gaskins at 522-4153 or Jimmy Johnson at 522-0636 (evenings). Additional information may be obtained by writing Donald Gaskins at Route 2, Box 252-K, Kinston, NC 28501.
