Warsaw Firm Acquires Oldest Mount Olive Insurance Business

The fire and casualty portion of Mount Olive's oldest active business, M.C.S. Cherry and Son, has new owners. Mrs. Lillian Langley of Calypso, Robert A. Lee of Warsaw and Carlton Insurance Agency, Inc., also of Warsaw, have purchased the fire and casualty business formerly operated by M.C.S. Cherry and Son. The new firm, Langley-Carlton Insurance, Inc., began operating on April 24th with Mrs. Langley as president, C. Fisher Carlton as vice president and Robert A. Lee as secretary-treasurer.

MacGill Agency in Clinton. D. Hugh Carlton is president of Carlton Insurance Agency, Inc. and has been in the insurance business for 29 years. Mrs. Langley has been in the insurance business for 31 years and was executive vice president of M.C.S. Cherry and Son.

According to Mrs. Langley, the new business will operate at the same address in a portion of the Cherry office building after renovations and a new front entrance installation. She said the business will continue to offer a full range of commercial and personal fire and casualty insurance services and will also offer life, accident and health insurance products and services.

Winemakers To Teach Art

A homemade wine making class will be held at 2 p.m. May 5 at Duplin Wine Cellars in Rose Hill. Registration will be limited to 50 people with a \$5 fee charged. Instructors will be Sidney Williams of Surf City and John Sasser of Holly Ridge. Prospective registrants may write

to Duplin Wine Cellars Inc. at Rose Hill, NC 28458 in care of David Fussell, winemaker, or may call 289-3094. A homemade wine contest will be held May 5, Entry deadline was Saturday. Fussell said the wines must be entered early to allow judges time to rank them.

Kenansville Drug Store Takes Part In Program

Pharmacists Against Drug Abuse (PADA), an anti-drug abuse public information campaign designed to help educate parents on the health dangers of the abuse of drugs by children, was recently launched nationwide. Kenansville Drug Store in Kenansville is a particularly strong proponent of the program locally and will serve as a key community resource for information on drugs in drug abuse.

Sponsored by the PADA Foundation, PADA focuses on alcohol and marijuana which, according to pharmacist Doc Brinson "are the two drugs young people are most likely to use in entering the drug scene."

The campaign also focuses on cocaine, the fastest growing drug of abuse in America. Added Brinson: "Parents and children need to know that using these drugs is harmful — that's why we're actively distributing a free brochure titled 'The Kinds of Drugs Kids are Getting Into.'"

The PADA Foundation developed the program because pharmacists, by academic training and professional experience, are experts on drugs and a good source of information on drug abuse. For a free brochure or more information, visit Kenansville Drug Store in Kenansville.

Whitley To Speak At College Reunion

The 30th annual Mount Olive College Alumni Reunion will be held Saturday, May 5, beginning with registration in the Henderson Building at 10:30 a.m.

Two distinguished speakers are slated for the day. Congressman Charles O. Whitley will be featured at the Alumni awards banquet which is the final reunion event, set for 7 p.m. The public is invited. Banquet tickets are \$6.

Dr. Craven E. Williams, president of Gardner-Webb College at Boiling Springs, will speak at the alumni luncheon on "The Role of Christianity in Higher Education."

Other activities include an alumni college which will give alumni the opportunity to return to class with Professors Michael Pelt, Lorelle Martin, Claude Moore, Irene Patten, Pepper Worthington and Ken Dilda.

Each professor has designed a special lecture for the alumni. Alumni classes will be seated together and various group reunions are planned. The annual business meeting, an art and photography display, a fashion show and optional tours are slated as part of the day.

Dr. and Mrs. W. Burkette Raper, president of the college, will host a reception in honor of the returning alumni.

M. Henry Garrity, vice president for college affairs, said, "We are pulling out all the stops to see that the reunion is the best ever and that everyone has a good time."

For information, contact Steve Raper at the Alumni office at Mount Olive College, 568-2502.

mathematics. He is married to the former Anita Medley of Spartanburg, S.C., and they have five children, all of the home: Terry, Stacy, Tracy, Michael Jr. and Jessica.

Lawter joined National Spinning in 1983 as department manager in the Beulaville plant preparation department. He served in that capacity until this promotion to plant manager. Lawter is a former plant manager with the Bibb Company in Macon, Ga.

Hedrick, a resident of Warsaw, is married to the former Claudette Miller of Northampton, Pa. There are three children, Gregory, 23, Lonnie Jr., 19, and Claudine, 13. Hedrick joined the company in 1973 as Warsaw plant industrial engineer manager. He was promoted to administrative manager in 1975 and has served in that capacity in both the Warsaw and Beulaville plants until this promotion to division administrative manager.

Keeter, who resides in Warsaw, is a 1968 graduate of Frederick College with a B.S. degree in business

Lonnie Hedrick

administration. He is married to the former Shirley Gardner of New Bern and there are two children, a daughter Allison, 16, and a son Stephen, 13.

Since joining the company in 1980, Keeter has served as plant industrial engineer in the Beulaville plant and as senior industrial engineer in both the Beulaville and Warsaw plants. He has served in the capacity of senior industrial engineer since 1981 until this promotion to administrative manager.

SNAPPER HAS THE KEY TO EASY STARTING

Drudgery was a way of life for great grandpa, but today even lawn work is easier, thanks to SNAPPER's powerful 21" electric start lawn mowers. They even have an alternator to keep your battery charged and a back-up recoil starter. Now you can just turn the key and your 21" push or self-propelled mower is ready to go. Plus you'll have SNAPPER's

exclusive Hi-Vac* system that sets grass up for a smooth cut, even in damp conditions. And SNAPPER doesn't stop there. Special options let you mulch grass, shred leaves and remove lawn-threatening thatch. Side discharge and a convenient Extra Bag-N-Blade Kit are also available. See our new electric start machines today at your SNAPPER dealer. They make mowing a snap—right from the start.
