for aviation, public transportation, rail and bicycles. It was last updated in November 1983.

The meetings, one planned for each of the state's 14 highway divisions, will bring citizens up-to-date on area projects and provide a summary of project revenues and construction costs, according to state Transportation Secretary W.R.

Roberson Jr.

Board member Louis W. Sewell of Jacksonville will represent the board at the meeting. The meeting starts at 2 p.m. in the auditorium of James Sprunt Technical College. Sewell represents the counties comprising the third highway division which includes Brunswick, Duplin, New Hanover, Onslow, Pender and Sampson counties.
