Water And Sewer Bills Hiked In Pink Hill

The Pink Hill Town Board met Wednesday night and business was light.

Discussion was entered into concerning the Donald Ball property which adjoins the town hall property and the question of whether a fence and alley belong rightfully to the town.

The board talked about the possibility of increasing the water and

sewer rates. Compared with adjoining towns, Pink Hill citizens pay the lowest rate. Upon much discussion, all the members voted to increase the rate \$1.25 for water and \$1.25 for sewer, or as is in most cases, \$2.50 per bill. Out-of-town residents who are provided with town services will pay \$1.25 more also unless sewer is provided, in which case they will also pay \$2.50 extra. There are between 40 and 50 outside users.
