

An Open Letter From The Agribusiness Council...

DUPLIN COUNTY AGRIBUSINESS COUNCIL

Post Office Box 84
Kenansville, North Carolina 29349

TO ALL PERSONS:

About five years ago a group of citizens interested in the future of Duplin County came together and organized an Agribusiness Council. The primary purpose of the Council was stated as follows: "To improve the three "C's" of Communication, Coordination, and Cooperation among those interested in and affected by agriculture." As the group discussed projects, the idea of a county fair emerged. Thus, for the past two years, hundreds of volunteers have joined together from all over Duplin County to help us showcase Duplin--its people and its products. The Duplin County Agribusiness Council has been extremely pleased with the success of the fair--its attendance, its great entertainment, and the fact that it has excelled in the Council's goal to improve Communication, Coordination, and Cooperation among those interested in and affected by agriculture. This is a tradition that we can be proud of.

On behalf of the Agribusiness Council and the many volunteers, Duplin County welcomes you to the county fair for the week of October 1-6, 1984. This year's fair promises to be bigger and better than last year's. To everyone who becomes a part of the festivities during the fair week, we hope it is an enjoyable and enlightening experience. To those who have worked so hard and gave so much we say a big, big, "THANK YOU!"

The Agribusiness Council solicits your continued support as we work to promote Duplin County and the area in order that we might continue to enjoy a satisfying productive way of life. We think we live and work in one of the best areas of the world and we encourage your interest, support, and help in keeping it this way.

Sincerely,

Roy A. Houston, President
Duplin County Agribusiness Council
