

# JK Shuts Out Pender; Bulldogs Blast ND

Tiger Field: Coach Billy Byrd's fighting Tigers shut out Pender last Friday night 18-0 in an old rival battle. It was the second straight shut-out for James Kenan as they prepare for East Central tests starting this week against East Duplin. Make no bones about it, James Kenan and East Duplin have always battled each other right down to the wire. Don't think the loss to Union helps James Kenan as they get ready for the trip to Beulaville.

Halfback Mickey Faison rushed for 156 yards and scored on a three-yard run to lead the Tigers. Bruce Dixon, the Tiger workhorse, also scored and Donnie Rouse kicked a 26-yard field goal as the Tiger defense shut down Pender High and their passing attack.

Roseboro: Top Raider running back Dave Wilson rushed 133 yards and scored twice to lead Midway past Lakewood 18-7 in an important East Central game. It was the second ECC win for Midway and kept them tied with Wallace-Rose Hill in the conference with a 2-0 mark.

Wallace: North Duplin fell victim of the fumbles six times last Friday night in Death Valley and Jack Holley's powerful Bulldogs of Wallace-Rose Hill High blasted the Rebs 33-8 in an important ECC football game.

Another ECC game saw the shocker of the year as winless Union High dumped upstart East Duplin High 16-6 in a real heartbreaker for ED fans. South Lenoir had little trouble getting the Wildcats of Hobbton to yield 30-7 in an ACC game.

## Defense Looks Good

James Kenan's Tim Hooks (No. 85) makes sure the Pender ball-carrier is down during James Kenan's 18-0

victory over Pender last Friday night.

## Sideline Concerns And Smiles

James Kenan Coach Billy Byrd shows signs of concern during last Friday's game with Pender. Ron Bowden

(No. 20) seems to know the outcome as he smiles for the camera. JK 18, Pender 0.

## Family Financial Planning Being Taught At JSTC

Robert A. Lee will be the instructor for an evening course entitled "Family Financial Planning" at James Sprunt Technical College beginning Sept. 27.

The course is intended to demonstrate the importance of financial planning to everyone, regardless of personal income and family situation. Topics covered will include saving and investment, insurance, planning for educational expenses and planning for retirement.

This is a curriculum course offered through the business education department, but is also open to the general public.

Lee is currently an agent for the Carlton Insurance Agency in Warsaw, previously serving as business manager for JSTC for 14 years. He is also a registered representative with Cardell and Associates, a broker/dealer for financial planners.

The class will meet on Thursdays from 7-10 p.m. on the campus in Kenansville.
