Town Receives Turkey Stadium

The Duplin County Board of Education last week turned a 2½-acre athletic field, Turkey Stadium, over to the town of Kenansville.

The field, on N.C. 11 just north of Kenan Memorial Auditorium, has been used for softball and baseball. The name stems from a time when it was used by the Kenansville Fire Department for turkey shoots.

Kenansville Commissioners Mark Vinson, Earl Hatcher and Jimmy Newkirk, and Bob Bowen, chairman of the Kenansville Dixie Youth program, made the request on behalf of the town.

The school board has turned other unused school property over to Duplin County towns to be developed as athletic fields.

In other action, Mike Brown as appointed to the Kenansville Elementary School advisory board to succeed Amos Q. "Doc" Brinson, who resigned after he became a member of the school board.

Warsaw Finds No Opposition To Plant Grant

Warsaw's efforts to help fund a turkey processing plant near Scotts Store met no opposition at a public hearing in Warsaw last week.

It was the second of three public hearings to be held by the Town Board on an application for a \$900,000 Urban Development Action Grant. The grant is part of a funding package that could bring an \$18 million investment and 800-1,000 jobs to a rural crossroads about 10 miles north of Kenansville.

The grant, which would come from the federal government, would have been paid back to Warsaw in six years, said W.W. (Woody) Brinson Jr. of the Duplin County Industrial Development Commission. The town would keep the payments and interest paid by the plant owners.

Goldsboro Milling Co. and Carroll's Foods of Warsaw have planned the plant as a joint venture. They have asked the county and the town of Warsaw to help out by applying for government grants.

In addition to the UDAG grant from Warsaw, the funding package includes \$10 million from revenue bonds to be issued by the Duplin County Industrial Facilities and Pollution Control Financing Authority; a \$500 Community Development Block Grant to be requested by the county; and \$6.6 million in bank financing or company contributions.

The two companies plan to begin construction in May if the grants are won.

The Warsaw Board scheduled the final public hearing on the grant application for 7 p.m. Jan. 29.

In other business, the board reviewed a recommendation by the Planning Board to approve a request from Commissioner Billy Kennedy to rezone a 10-acre plot he owns across from Warsaw Apparel Co. Kennedy wants to put a mobile home park on the site.

Rose Hill Man Dies In Wreck

A 20-year-old Rose Hill man was killed in a single-car accident on Secondary Road 1102, about 2½ miles west of Rose Hill, about 11:30 a.m. Saturday, the N.C. State Highway Patrol reported.

Thomas Lee Robinson of Route 1 was killed in the accident. He was the only person in the car. Robinson was not wearing a seatbelt, Patrolman Rogers said.

The car was headed east on S.R. 1102 when it ran off the road. The car then crossed the road and went into a ditch and overturned. The vehicle then caught fire and burned.
