

Run with the Arts....

and

Run with the Arts...
for they are healthy and exciting and free and natural!

Run with the Arts...
for they are as widespread as every corner of Duplin County!

Run with the Arts...
and help us celebrate and generate creative magic moments that express what we love most about our land, our people, our lives together!

10 Years Old....And Just Off To A Good Running Start! The Duplin County Arts Council...Run With The Arts...

**Annual School Fund Drive
Monday, February 11 - Friday, February 15**

The Duplin County Arts Council needs your help and your efforts. Your contributions are used entirely for programming and bringing creative and life-filling events to our county's children, senior citizens, workers, special populations, artists, art-lovers--all of us!

The Duplin County Arts Council is that organization that seeks to make the arts visible and vital and full of life in our county. We began in 1975 as a non-profit, tax-exempt corporation. We gratefully celebrate our tenth year!

We have an office located in the yellow-brick courthouse in the square in Kenansville, and yet our programs happen just about everywhere in Duplin County! We have a full-time director, a part-time program assistant, a 16-member Board of Directors, a School Liaison at each of the county's seventeen schools, and eight high school Student Representatives. We are dedicated to the quality of life in Duplin County. We believe that the arts are a language that speaks of what we believe truth and goodness and love to be...

So join us, won't you? Pull on your red sneakers and get ready, get set!

Run with the arts and remember that among the people is where the arts take form...and it is also where your help will be appreciated. Thank you very much.
