

NADA Livestock Awards

Recently the Neuse Area Development Association meeting was held in Kinston. "One of the functions of NADA is to provide recognition to producers who are doing a superb job in management of their farms and livestock operations," says Keith J. Hairr, assistant agricultural extension agent. Of the nine-county area covered by NADA, Don Loomis of Potters Hill was the top feeder pig producer and Cecil Kornegay of the Mount Olive area came in second in beef production. As Donald Bowman of Wells Livestock in Wallace presented the award, he pointed out that Don attended NCSU and was on the All American swimming team. "Don Loomis now works with his brother-in-law, Stacy Quinn," said Hairr. Last year they sold their old herd in an effort to rid their operation of pseudorabies. As the houses were emptied, they removed the old flooring in the farrowing house and nursery and replaced it with

woven wire. They restocked with an excellent cross of large white and Landrace gilts. Since they have been back into production they have yet to wean less than nine pigs/sow from the farrowing house. Cecil Kornegay won his award due to excellent management of his purebred polled Hereford herd. He uses AI breeding in order to give his customers a choice of bloodlines. For the past two years he has had a 100% or better calf crop due to his management and to two cows which consistently have twins. Cecil is also on the extension service's beef herd improvement program which assists producers in selecting superior breeding stock. Hebron Church To Celebrate Centennial

Committee Seeking Information

The historical committee for Hebron Church, Pink Hill, is working on details for a centennial celebration for October 12, 1986.

The committee is seeking information through old newspaper

articles, photos, bulletins or whatever anyone may have pertaining to the church or any of the persons who have been members there during its 100 year existence. It would be better if only a copy is sent of anything of value as the committee cannot be responsible for the return of items. Items may be sent to: R.K.

Smith, 2613 Nocatee Drive, Miami, Fla. 33133.

Hebron Church was organized December 16, 1886. Its present building was erected 1890 and 1891. Hebron Church has touched the lives of many people in this area and is the mother church of the Presbyterian churches in Albertson township.

Visions Of Peace Mission Study

On Sunday, April 14, Warsaw United Methodist Church will have a churchwide mission study on the topic: "Swords Into Plowshares: Visions of Peace." Beginning at 4:30 p.m. and concluding at 8:30 p.m., the evening will include sessions for adults and youth and elementary children. A nursery program will also be provided. A covered-dish supper will take care of the need to eat.

The Rev. Nancy Best, pastor of the Four Oaks United Methodist Church, will be the guest teacher for the adult and youth class. Ed and Yvonne Holt will be teaching the older elementary class, and Nancy Moore will be working with the younger elementary class. Mary Sue and Bron Thompson and Charlotte Porter will be working with the nursery class.

The mission study has done good planning and made complete arrangements. Tilda Beasley is the chairperson, and also on the committee are Chuck Moore, Minnie Kitchin and Mary Sue Thompson.

The community is invited to participate. For further information contact any member of the Task Force or Jimmy Creech, pastor.
