

# Equal Access Is No Issue In Eastern Carolina

Although cost-cutting competition among long-distance telephone companies is gradually coming to Eastern Carolina, customers need not for a long time expect "equal access," says G.T. Pate, director of corporate communications with

Carolina Telephone and Telegraph Company.

With equal access, customers of competing long-distance companies can dial the same number of digits to make long-distance calls. To further long-distance competition, the FCC

has mandated that Bell companies which were part of the pre-divestiture Bell system make equal access available to competitors of their former parent company, AT&T, by Sept. 1986. Without equal access, customers of AT&T competitors must dial several digits more to make long-distance calls than do AT&T customers.

Pate said, "The FCC order did not apply to local telephone companies that were not part of the former Bell System; however, Carolina Telephone could make equal access available to the local network in many of our locations for competitors if it were requested of us. It is unlikely that the request will be made since long-distance companies

are now fighting for market share in larger cities, and are not interested in lesser populated areas.

Presently, long-distance competition in Carolina Telephone's service area is occurring in and around our larger population areas — Fayetteville, Rocky Mount, Kernersville, Gibsonville and the communities around Raleigh such as Wake Forest, Clayton, Angier and Fuquay-Varina. Equal access has not been requested by any of the long-distance companies in any of these areas.

"Equal access is a market-driven feature. When the long-distance carriers in these areas want it, we'll be able to provide it," he said.

## Deaths

## Facts About The BIBLE BY JOHN LEHTI

### HEAVE OFFERINGS

A MOST IMPORTANT PART OF THE ANCIENT ISRAELITES' WORSHIP OF GOD WAS THE SACRIFICIAL OFFERING TO THE LORD. THE HEAVE OFFERING (THAT IS, THE PART TAKEN AWAY FROM A LARGER MASS AND SET ASIDE FOR JEHOVAH) SUCH AS THE RIGHT SHOULDER OF A LAMB BECAME, WHEN THE SACRIFICIAL CEREMONIES WERE OVER, THE PERQUISITE OF THE PRIEST CONDUCTING THE CEREMONY AND WAS EATEN BY HIM IN THE PRECINCTS OF THE SANCTUARY (NUM. 18:9-10; C.F. LEV. 6:16). ONCE HAVING LEARNED THIS, WE CAN UNDERSTAND THE DOUBLE SIGNIFICANCE TO CERTAIN ACTS RELATED IN THE SCRIPTURES. SAMUEL THE PROPHET, WHEN HE INVITED SAUL TO EAT WITH HIM AND OTHERS AT A "HIGH PLACE" (A SHRINE OF WORSHIP) AND, AT SAMUEL'S DIRECTION, THE COOK SERVED SAUL THE SHOULDER OF MEAT, SIGNIFYING SAUL'S IMPORTANCE TO THE OTHER GUESTS, WHO DIDN'T KNOW THEN THAT HE WOULD SOON BE THE FIRST KING OF ISRAEL! (1 SAM. 9:15-24)

AND NOW SAMUEL SETS THE SUCULENT SHOULDER SECTION, USUALLY SERVED TO HIGH PRIESTS, BEFORE THE AMAZED SAUL...
