Pro I.B. Duffer had the pleasant pleasure of playing in the Shrine Club golf tourney held at Duplin this past Saturday, and it was most enjoyable. You really missed a good tournament; maybe you can play next year. I had a good time swapping golf goodies with golfers from all around. Wallace's Skillet King Knott Teachey, playing out of Rockfish Country Club, just makes fellowship and golf worthwhile. Kinda like another Wallace notable,

Harry Carlton, club champ at Rockfish, says when he puts it this way. "You really haven't played golf until you have at least played one round with Knott Teachey." By the way, I had a possum playing in my foursome. Melvin Ward, playing out of LCC, is a possum to some. That's what they call him, but I call him a dam good golfer and a fine young man. Wallace gift to Rockfish, the helped get rid of that Chinese pitch-out that has plagued Knott

Teachey for years. Knott says Bob Tooki helped some when he was in Florida. Have you noticed DCC's Bob Brumleve has won again. It's good to see such fellows as George Henry Best, Charlie Thomas, Bob Jones, Allen Smith, Elwood Revelle, Don Suttles, Woodrow Blackburn, Nathan Costin, J.P. Smith and Dougal McNeil playing in this type tournament. Rockfish Club President Doug Sibbett was another standout from RCC playing in the Shrine tourney and we really appreciate his coming. Hopefully, the tourney will

move to your club next year, Doug. Be back next week with the different angles or loft of the club. Fore.

Recreation Director Resigns In Kenansville

Herman Kight resigned as the town's unpaid recreation director last week.

His job at James Sprunt Technical College requires too much of his time for him to continue in the volunteer post, he told the town board. Knight served as recreation director for three years.

In other business, the board agreed to allow H.M. Price to use the road to the sewage treatment plant

to haul timber from land he owns adjacent to the plant. The board asked for a written statement that he will leave the road in as good condition as he found it.

A \$10-an-hour charge for lights at Turkey Stadium was waived for one night a week for the Little League ball teams on request of Conrad Jenkins, Little League coach. The board also appropriated \$100 for Little League baseball supplies.
