Duplin Won't Count Tobacco Quota In Tax Valuation

Tobacco production poundage quotas will not be included as taxable valuation when the 1986 revaluation of Duplin property for tax purposes becomes effective.

The board of commissioners voted unanimously Monday to remove the quotas from taxation and to reduce by five percent the valuation schedule established by Pearson's Appraisal Service of Goldsboro.

For 1985, the county's tax schedule will be based on the 1978 appraisal. The new appraisal, required by law every eight years, will go into effect Jan. 1, 1986, and will be reflected on the tax bills property owners receive in late 1986.

John Rudd, the appraiser, said tobacco quotas were valued at \$1 per pound. The county has a 1985 quota of 16,344,000 pounds. The present 75 cents per \$100 property valuation would have brought in \$164,916 in property tax next year.

Removal of the tobacco valuation from the tax base means that amount of money must be raised from other sources.

Rudd said the value of residential property in the county has increased about 80 percent since 1978.

He said \$10,000 an acre is the highest valuation on land in the county. This is for industrial sites. The lowest valuation is \$38 per acre for waste and swamp land.

Good farm land on a paved road will be appraised in 1986 at \$1,345 per acre, up from \$810; fair land on a paved road will be \$893, up from \$540; poor land on a paved road will be \$532, up from \$320.

Rudd said about 80 percent of the land will be appraised at \$627 to \$893 per acre under the new valuation.

The valuation for 1986 and beyond for fair pine land will be \$323 per acre, up from \$170; poor pine land \$242, up from \$130; good hardwood

land \$190, up from \$100, and poor hardwood land \$162, up from \$80.

Rudd said that eight years ago bulk tobacco curing barns were selling from \$6,000 to \$13,000. The 1986 values will be down, to between \$2,000 and \$4,500. Old conventional tobacco barns have virtually no value.

Rudd said land valuation is determined on the price of land sold in the county. He noted that farm land has decreased 30 percent in value since 1983, based on sale prices.

Commissioner Calvin Turner commented: "Tobacco's going to be cut again. No one knows where it stands now."

Commissioners Allen Nethercutt and W.J. Costin noted that an acre of cucumbers can bring as much money as an acre of tobacco, but it isn't taxed on the basis of cucumber production.

In other action, the board:

- Adopted a fire prevention code for the county, which allows the fire marshal to inspect a site where arson is suspected as well as obvious problem sites. The code was presented by Hiram Brinson, emergency services coordinator.

- Approved use of \$1,500 of a Library Service and Construction grant of \$6,087 to the Duplin County Library for equipment and \$4,500 for books. Included will be a typewriter for public use.

- Hired N.F. McColman, mayor of Faison, as part-time Duplin County veterans' service officer for 24 hours a week with an annual salary of \$7,000.

- Appointed Allen Williams of Wallace to succeed J.W. Hoffer of Wallace on the James Sprunt Technical College board of trustees. Hoffer had been a member since the school was created in the 1960s.

What to Keep in Safe Deposit Box
You need to keep important documents that would be hard, impossible or time-consuming to replace in a safety deposit box.

Papers that call for this type of security include certificates of birth, marriage or death; installment contracts and mortgages; passports and inventories and appraisals of property.

For the security they offer, safety deposit boxes are a good bargain. How much rent you pay depends on the size box you need, and that rent might be tax deductible; that is, if you use the box for storing taxable income-producing stocks, bonds or

investment-related papers or documents.

Of course, keeping your valuable papers at home would eliminate the expense of a safety deposit box, but a home safe may not be fire- or tornado-proof. And it certainly won't be theft-proof.

If you have a safe deposit box, you can store valuables such as jewelry in it. But, you will want to be sure those valuables are property insured.

If you have a safety deposit box, you will want to keep your key in a safe place. It's impossible to get into the box without it. Misplacing the key means having to cut the lock to gain entry.

Facts About The BIBLE BY JOHN LEHTI

THE FATHER OF KING DAVID

JESSE, THE SON OF OBED WAS THE FATHER OF DAVID. JESSE'S GRANDMOTHER WAS RUTH, THE MOABITESS, NOR WAS THIS THE ONLY "FOREIGN BLOOD" RUNNING IN HIS VEINS — HIS GREAT-GRANDMOTHER WAS NO LESS A PERSON THAN RAHAB, THE CANAANITE OF JERICHO WHO HID JOSHUA'S SPIES FROM HER OWN COUNTRYMEN. (JOSH. 2:1-4) (MATT. 1:5). JESSE WAS COMMONLY CALLED "JESSE, THE BETHLEHEMITE" (I SAM. 16:1, 18) AND WAS LOOKED UPON AS AN "OLD MAN" WITH EIGHT GROWN SONS, WHEN HISTORY FIRST NOTED HIM (I SAM. 17:12). JESSE'S ONLY WEALTH CONSISTED OF A FLOCK OF SHEEP AND GOATS. HE WAS AN ABLE MAN, YET HIS STATION IN LIFE WAS ACCOUNTED AS LOWLY BY ALL HIS PEERS. THIS HUMBLE POSITION OF THE FAMILY IS ALLUDED TO BY THE PROPHETS (ISA. 11:1, 10; MICAH 5:2; ROM. 15:12). EVEN KING SAUL, AFTER HE BECAME JEALOUS OF DAVID, CONTINUALLY REFUSED TO CALL DAVID BY NAME, REFERRING TO HIM BY THE DESIGNATION OF "SON OF JESSE" IN ORDER TO EMPHASIZE DAVID'S HUMBLE ORIGIN, AS IF THAT MADE HIM UNSUITABLE FOR KINGSHIP! SAUL CERTAINLY IGNORED THE FACT THAT HIS OWN FATHER WAS NO MORE A KING THAN DAVID'S FATHER!

IT IS UNCERTAIN WHEN JESSE DIED NO MORE IS HEARD OF HIM, AFTER DAVID PLACED BOTH PARENTS UNDER THE PROTECTION OF THE KING OF MOAB, (I SAM. 22:1-4) TILL HE KNEW WHAT GOD HAD IN STORE FOR HIM IN THE FUTURE!
