## Duplin All Stars Represent The State In World Series

On Sat. Aug. 3, the Duplin County All Stars faced the defending World Series Champions, Mississippi. Mississippi took an early 4-0 lead in the second inning and coasted to an easy 12-2 win. This loss put North Carolina into the losers bracket to face Georgia who was defeated in their opening game by Louisiana 10 to 9 in 13 innings. The game between North Carolina and Georgia was a close one throughout the entire contest. Georgia broke on top with five runs in the top of the second inning. North Carolina countered with four runs in their half of the third inning. The game remained close until North Carolina come to bat in the bottom of the 7th inning. The Tar Heel State Champions trailed 6-4 going into the 7th inning. The locals scored one run and had the tying run on third and the winning run on second as the game ended on a strike out on a 3-2 pitch. The disappointing loss to Georgia ended North Carolina's Cinderella bid for the 1985 Dixie Boys World Series.

### THANK YOU

The Duplin County Dixie Boys All Stars wish to thank each and everyone who helped make possible their trip to the 1985 World Series in St. Bernard Parish, Louisiana. Our Duplin County Boys, who are the North Carolina State Champions, represented North Carolina and Duplin County with respect and dignity. The generous support of the communities made this a memorable occasion and the first for boys of Duplin County. This trip gave the team not only the valuable experience of playing in the World Series but also the opportunity to broaden their educational experience by visiting New Orleans, the Superdome, the Mississippi River and by learning about the culture of other people in the United States.
