Keesler-Tyndall Wed

Miss Betty Jean Tyndall and Wilbur William Keesler III were united in marriage on Sunday, July 28th, 1985. The ceremony took place in Deep

Run First Baptist Church at three o'clock in the afternoon.

The bride is the daughter of Mr. and Mrs. Eugene Tyndall of Pink Hill. The groom is the son of Patricia A. Keesler of Pink Hill and Wilbur W. Keesler Jr. of Redback, Tenn.

The bride was escorted to the altar by her father and was given in marriage by her parents.

The bridal gown featured a Queen Anne neckline, fitted empire bodice with simulated pearls and sequin accents, tapered sleeves, and a lace flounced hemline. The back of the gown extended into a chapel-length train. The fingertip veil was attached to a Juliet cap. She carried a bouquet of red roses, pink carnations, and babies'-breath with red and white streamers.

The Reverend Bobby Hunter officiated the ceremony in which the bride and groom exchanged vows and wedding bands. They prayed the "Lord's Prayer" and pronounced their union by the lighting of the unity candle. "You Are the Inspiration" was sung by Marietta Howard and Chad Howard. After they were pronounced husband and wife, they were introduced to their guests. The ceremony was concluded by a reception in which the guests were greeted by the wedding party, during which the bride and groom cut the wedding cake and made the traditional toast to one another. The couple left for an unknown destination. The couple will reside at Route 1, Pink Hill.

The wedding party included Tony Faircloth, best man; Miss Sherry Smith, maid of honor, cousin of the bride; Bobby Tyndall, usher, brother of the bride; and Wendy Heath, bridesmaid. Christe Keesler attended the register and Sam Howard played the piano. The ceremony was directed by Mrs. John A. Duncan, sister of the groom

ATTENTION ALBERTSON AREA WATER CUSTOMERS

The Albertson area water system is getting closer to a reality.

We need your help now in setting your individual meters. The engineer has begun staking the individual meter locations.

Would all residents who have paid and signed up for a water service, please put a stake up in your yard with your name attached (in something waterproof). This location should be where it will be easiest for you to hook up to your present water system.

Thank you for your cooperation.
