

KES Thanksgiving Thoughts

Continued From Page 4

What Thanksgiving Means to Me
On Thanksgiving we have a feast. After the feast I like to go hunting, play basketball, and watch movies. At the feast we have turkey, corn, peas, butter beans, fried chicken, biscuits, and other things to eat. The best part is the turkey.

My mother and father said that the pilgrims sailed here on the Mayflower to Plymouth Rock. They met the Indians here.

The Indians showed the Pilgrims how to grow crops and make a living. They showed the young Indians how to make toys like cornshuck dolls and other toys.

That's what Thanksgiving means to me.

You can eat turkey and when you get finished you can play, watch movies, parades, or football on television. Then you can go hunting. You wait for another year to celebrate Thanksgiving again.

What Thanksgiving Mean to Me
Thanksgiving is to me means getting out of school and going to see my grandma. I always remember the pilgrins. They came on the Mayflower. When they came some Indians didnot like then and some of the Indians were nice. The Pilgrims were very thankful for the food and other things they gave them. We celebrate Thanksgiving because of this.

What Thanksgiving Means to Me
I really like Thanksgiving. It is a nice holiday. On Thanksgiving I like to watch parades. I like to eat the good food. I like to play cards, and watch football games. It is nice to remember and celebrate the Pilgrims coming over on the Mayflower in 1620. The Indians helped the Pilgrims. The Indians and the Pilgrims had a big feast. They had the big feast to give thanks for being able to survive and have food and friends. We also give thanks for the food, frineds, and family on Thanksgiving.

Thanksgiving
Long ago when I wasn't born, some pilgrims came on thanksgiving morn

When they came ashore on the Mayflower what did they find. but most of the Indians were very kind.

But later on that silent night, they saw some Indians ready to fight.

He went outside with his smily-face, and then the Indian challenged him to a race.

If he won they could stay, but if he lost they would have to go away.

After that challenge he won the race, in fact most of the Indians painted their face.

First he showed them how to punt, then he showed them how to hunt.

After they worked they had fun, because that's when he taught them how to shoot a gun.

We Give Thanks
I like Thanksgiving. I like to have a feast. I also like to play football. I think about the Pilgrims and the Mayflower. I also like for my cousin to come over. I like to watch movies, too. When the Pilgrims came, they had a big feast and they invited the Indians to come. On Thanksgiving my family relative usually come to eat dinner with us. Thanksgiving is a nice Holiday. I like it alot. Sometimes I go to see my father. I think I like it because we don't have school. I also like it because I might go hunting sometimes. Thanksgiving is a very special day to me. Thanksgiving is close to Christmas. On Thanksgiving I always have a good time. I think it is the best day ever.

What Thanksgiving Means to Me
To me thanksgiving is a time to be thankful. Some people celebrate. To me thanksgiving is a time to be thankful to every one. Here are some things that I like. Well the best thing of all is "no school" on thanksgiving. I like hunting turkey to. I also enjoy the good thanksgiving dinner which I am thankful we can have.

What Thanksgiving Means to me
On Thanksgiving my grandmother cooks a great big turkey. And after we ate we play and play. Sometimes we watch football. One time we saw a parade. And best of all we don't have school. Sometime we go hunting. We had a big feast.
