

Special Guest

The first president of the Warsaw Garden Club, Mrs. Mary Gray McNeil, center, was a special guest at the Garden Club Christmas luncheon Wednesday. Rev. Jimmy Creech, left, pastor of Warsaw United Methodist Church, and his wife, Merle, right, Duplin

County Arts Council director, were in charge of the program. Jimmy spoke on Christmas traditions and what they mean. Club President Adelaide Rice presented Mrs. McNeil a poinsettia at the close of the meeting.

Christmas Traditions

Warsaw Garden Club celebrated the "Traditions of Christmas" with their annual Christmas party Wednesday at the Country Squire. Mrs. Ailene Marriner, above, was in charge of the program. Mrs. Marriner decorated the tables and around the room with traditional arrangements, wreaths, toys, etc., and provided the recipes for the luncheon, a tradition the Garden Club members and guests appreciated and hope will continue.

19th Hole

Pro. I.B. Duffer

It's "Hole-in-one Time" again. They come around in cycles, kinda like a bug or virus. Several were recorded in and around over the past few days.

Over at Duplin Country Club, Pro Green reported two aces recently. Mickey Benton, a former James Kenan football standout, recorded a hole-in-one on the par three, 159-yard 17th using a six iron. James Fields, Eddie Bass, Bailey Warren and Mark Vinson witnessed Mickey's first ace.

Pro Green also reports the Country Squire's Hugh Lennox recorded his first ever, once-in-a-lifetime shot on the 14th, 128-yard par three, using an eight iron. Bob Jones, George Penney, Woodrow Blackburn and A.M. Benton witnessed Hugh's shot.

Lakewood's classy Mike Newkirk aced the eighth hole using a wedge. Mike's once-in-a-lifetime shot at LCC was witnessed by Melvin Ward, Danny Bordeaux and H.L. Williams. Yes, Melvin Ward got an ace in the Turkey Invitational staged at Topsail Greens recently.

We here at the 19th Hole would like to congratulate you on your hole-in-one. You will always appreciate this highlight in your golf career.

Club Manager Doug Smith also reports other things at Lakewood that have happened including two other winners in the Turkey tourney — Mike Newkirk won closest-to-pin and Marshall Phillips was one of the winners in the tournament.

Rockfish Pro Frank Morgan announces a Scramble at his club in Wallace next Sunday, Dec. 15. Members and guests are invited to play in this event.

Other golf news is scarce, but a few things are breaking all the time. . . . We may share some real goodies with you down the line, including such things as "the stump," and maybe tell you about "nothing" or "non-descript." . . . Who knows? Shop at your favorite Pro Shop for that golfer. Fore.

Technics
The science of sound

Whatever the fad, we're the fashion.
Classic sound design. By Technics.

Technics SH-8055
12-Band Stereo Equalizer with Built-in Graphic Equalizer
Enables direct monitoring of signal level in each band: left channel, right channel, or both. spaces center frequencies 2/3 of an octave apart (25 Hz to 250 Hz) or an octave apart (250 Hz to 16 kHz) for increased consumer benefits. "Constant Q" filter circuit assures precise, pin-point control over the desired frequency band. Automatic mic/line input selector. Semiconductor inductors for low distortion and high S/N ratio.

\$296.00

MFG List - 390.00

SA-460
Quartz Synthesizer TV/FM/AM Receiver
• 70 watts per channel, minimum continuous RMS into 8 ohms, both channels driven from 20-20,000Hz, with no more than 0.007% THD
• Built-in TV sound digital tuner
• "Stereoplex" for a simulated stereo effect
• One-touch CATV selector with auto fine tuning
• 16 random access FM/AM station presets
• Loudness switch; main or remote speaker selection

\$282.00
