

To the People of Eastern Carolina.

The Great North Carolina State Fair will be held in Raleigh, N. C., October 16th to 21st, 1905. There will be unusual attractions that will more than repay all who come. The management have spared no trouble or expense to get such attractions as will please the most severe critics and afford great pleasure and amusement to the great crowds who will attend. No one who attends need have any fear concerning any of the many attractions that will be shown, as they have been selected with care, to please and entertain the people.

The program is as follows:
 Tuesday, October 17th.—Fair will be opened by Gov. R. B. Glenn. Fine racing. Free attractions.
 Wednesday, October 18th. Fraternal Order Day. Racing. Free attractions which all Fraternal Orders are respectfully invited to attend, and hope there will be a large representation.
 Thursday, October 19th.—President Day, with grand military escort. Fine racing. Free attractions.
 Friday, October 20th.—Educational Day. A grand rally of educators. Racing. Free attractions.
 Among the great and varied attractions to be seen each day on the grounds are:

Mlle. Zingarella, in wonderful spiral tower act.
 Madam Leona Ronni, in high trapeze round web act.
 Matt Gay, diving from ninety-foot ladder, turning backwards somersault.
 Hutchinson, the Human Bomb, a most wonderful and daring feat.
 Rollins' Trained Wild Animal Exhibition.
 Up-to-date and clean Midway.
 Glass-blowers, and many other attractions to please and entertain all who attend.

These acts and attractions will be displayed each day during the Fair. There will be fine exhibits of the the agricultural, industrial and educational growth of the State. As the President of these United States has consented and promised to be at this Great Fair on October 19th, it therefore behooves the people of this good old State not only to welcome him in large numbers, but also to make a united effort to make a great and grand display of the varied resources of North Carolina and prove to him and his friends in the North and West that we are not behind other States in attractions for capital and a good element of settlers.

Welcome all, and bring big crowds and large exhibits.
ASHLEY HORNE, President.
CLAUDE B. DENSON, Treasurer.
JOS. E. POGUE, Secretary.

ARE YOU ENGAGED?

Engaged people should remember that, after marriage, many quarrels can be avoided by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Bennettsville, S. C., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." All druggists sell and guarantee them at 50 cents a bottle.

"AM DE BEST."

Let thy mind's sweetness have its operation upon thy body, clothes and habitation.—George Herbert.

Sick Headache

When your head aches, there is a storm in the nervous system, centering in the brain. This irritation produces pain in the head, and the turbulent nerve current sent to the stomach causes nausea, vomiting. This is sick headache, and is dangerous, as frequent and prolonged attacks weaken the brain, resulting in loss of memory, inflammation, epilepsy, fits, dizziness, etc. Allay this stormy, irritated, aching condition by taking Dr. Miles' Anti-Pain Pills. They stop the pain by soothing, strengthening and relieving the tension upon the nerves—not by paralyzing them, as do most headache remedies.

Dr. Miles' Anti-Pain Pills do not contain opium, morphine, chloral, cocaine or similar drugs.

"Sick headache is hereditary in my family. My father suffered a great deal, and for many years I have had spells that were so severe that I was unable to attend to my business affairs for a day or so at a time. During a very severe attack of headache, I took Dr. Miles' Anti-Pain Pills and they relieved me almost immediately. Since then I take them when I feel the spell coming on and it stops it at once."
JOHN J. McERLAIN,
 Pres. S. B. Eng. Co., South Bend, Ind.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. **Miles Medical Co., Elkhart, Ind**
